Sean was extraordinarily helpful to us as parents. He brought a ton of relevant experience to our family and really helped us to understand the challenges our teen is facing - and reassure us that they were surmountable. Perhaps most valuable were his tools and encouragement that helped us and pu...

Having Sean work with our teenage daughter was the best decision we could have made for her. Despite living in a home with siblings and parents that loved and respected her, our daughter's self esteem, self control and will to live was at a scary low. We had met Sean at one of his Screens and Tee...
