

Hey you 2 congrats

NGL I've had my mind made up for who I want to vote between you 2 for ages ٩_(ツ)_/

Can't really say I have any questions for either of you, so feel free to take this time to get out any last thoughts & pleas you have for the other jurors.

FannyChmelar: ily. :')

Zarfot:

Was expecting a good question from you but oh well... luckily we have 5 other jurors who do their work.
