PE

Hello FDE Athletes!!!

This is our LAST FULL WEEK of school!!

We have a fun fitness calendar for you to do! You can do them day by day or skip around and change the order. You choose! :)
Just click on this link and scroll down to JUNE!!!

June Fitness Calendar

Art

Hello super creative stars! This week for "**Distance Creating**" you will learn about Fashion Illustrator, Shamekh Al-Bluwi.

Students will create their own t-shirt cut out clothing art inspired by Al-Bluwi. Please email Ms. Looney with any successful artworks :) Click <u>here</u> for this week's slides.

Counseling

Hey bright shining stars! This week our lessons are all about being positive and spreading kindness. We are going to learn that sharing our positivity and kindness with others can actually help us feel better! I will read you my favorite story: The Rainbow Fish!

Library

Hello Stars! I hope you enjoyed the activities I sent for you last time. Feel free to email me to send responses to any of the activities, to say, "Hello!", to help you choose a new book, or anything else. This week, students in Grades K-2 will review "ABCs in the Library" as they listen to an alphabet story and participate in an Alphabet Scavenger Hunt! Students will also learn about the educational games, kid-friendly information, and great video footage found in National Geographic Kids online. Click here to find exciting activities to do throughout the week! Please remember that I am always here to support your reading, guide your research, and help you with new topics as we continue this adventure together.

Love, Mrs. Ricci 😊
