

CardioTrials.AI Privacy Policy

1. Information Collection: We do not collect any personally identifiable information (PII) other than what is required for payment processing via Apple StoreKit (which we do not store directly).
2. Usage Data: We may collect anonymous usage data to improve the app, such as crash reports and feature usage statistics. This data is not linked to your identity.
3. AI Processing: When you use our AI features, the text or data you submit is sent to our AI provider (Google Gemini) for processing. We do not use this data to train our own models, and it is transiently processed.
4. Data Security: We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.
5. Third Party Services: The app does use third party services that may collect information used to identify you. Link to privacy policy of third party service providers used by the app: [Apple Privacy Policy](#).
6. Children's Privacy: These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13.
7. Changes to This Privacy Policy: We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.
