Vision Statement

"To improve health and quality of life through chiropractic."

Mission Statement

"The North Carolina Chiropractic Association is a professional service organization whose mission is to promote, protect, educate and advocate for chiropractic in North Carolina."

- **Call to Order** Lance Gard, DC
- **Antitrust Statement** Heather Wrenn, CAE

The North Carolina Chiropractic Association (NCCA) reminds members that state and federal antitrust laws prohibit agreements among competitors which unreasonably restrain competition and that charges of antitrust violations are often based upon discussions among competitors regarding prices, price levels or price mechanisms, refusals to sell to certain customers, refusals to purchase from certain suppliers of products or providers of services, division of markets by customer or territory, or conditioning the purchase of one product or service upon the purchase of another product or service. No such discussions will be tolerated during this or any other NCCA meeting. These guidelines apply not only to formal meeting sessions, but also to informal discussions during breaks and other conference events.
