Discover the # 1 reason why many businesses struggle to acquire customers.
- **Problem: We neglect the main point about marketing.**
- **Agitate: for that reason we do not get the results we look for “For example: We buy an old house, we paint it and think we fixed the house. But, water starts leaking, walls get damaged and next thing you know the house is ruined. Why? Because we missed the main issues. We focused on the wrong problem, not on the main problem which is structure, plumbing, electrical etc. That is the same issue with marketing: we have a wrong focus and ignore the main point.”**
