POLITICS: We remind everyone that any signage, flags, banners or other materials of political nature are not permitted in River Hills. Thank you for keeping our neighborhood free from these items. Want to read the actual Rule? Page 5 of your Community Handbook under General Rules.

STREET FAIR: Did you receive mail from a fellow River Hills resident about Street Fair? Please be aware that this was **not authorized** by the resident nor the HOA. Beware...

THIS FRIDAY MARKS 48 YEARS! Rick Camden, our Maintenance Supervisor has been with River Hills for 48 years on Friday. Join us in thanking him for his many years of dedication and service.

MEMBER/GUEST TOURNAMENT: The Country Club's Member/Guest Tournament is next week, September 18-20. If you live on the golf course, please be aware, the course maintenance team is approved to start at 6am on these days. It is an exception we make for them on these particular days so that they can get ready in time for their largest tournament of the year. Thank you for understanding!

ROADWORK PATCHING! Please take caution and be aware that the Roads Committee will be working on patches throughout the neighborhood over the next couple weeks. The committee has identified numerous places that need attention to prolong our road's longevity. Any white spray paint and arrows on the roadway indicate where those patches will take place. Extreme caution

should be exercised if traversing those areas while the work is happening...uneven roadway, potholes, protruding manholes, tack, gravel, workmen and equipment could all be present!

POKER RUN! Whew...it's a GO! The Poker Run is ON for this Saturday! Thank you to the residents that volunteered to be a stop. Let the fun begin! Good luck all. Final Poker Run will be in November and is our annual toy collection for the local school families in need.
