

Hey Fisher Cats Fans,

We hope you are staying safe and healthy!

While we were looking forward to recognizing the hard work of your reading champion(s) this spring, due to the COVID-19 Pandemic we will have to wait a little longer to celebrate with you.

We will be moving our spring dates for our Reading Challenge presented by Eversource into the summer. Once we know our schedule and have selected the new dates, we will let you know. We will plan on holding pre-game catch and videogame recognition on those specific dates.

If you are unable to make any of the new selected Reading Challenge dates that have been rescheduled due to the COVID-19 Pandemic, your tickets are exchangeable for any other remaining 2020 regular season game or 2021 regular season game.

If you have any further questions, please reach out to tleeth@nhfishercats.com or slenau@nhfishercats.com.

We cannot wait to have you and your family out for some Ferocious Family Fun at the ballpark this summer!
