# Understanding Our Multi-Tiered System of Supports (MTSS)

*Helping Every Student Learn, Grow, and Succeed*

## What is MTSS?

★ MTSS helps every student receive the support they need.

★ Academic, behavioral, and social-emotional supports work together.

★ The goal is the right support at the right time.

★ Support changes as students grow and learn.

## Every Student Receives High-Quality Tier 1 Supports

★ High-quality curriculum

★ Evidence-based instruction

★ Differentiated learning

★ Small-group opportunities

★ Positive behavior supports

★ Social-emotional learning

★ Restorative practices

## How We Use Student Data

★ Universal screening three times a year

★ Classroom assessments

★ Teacher observations

★ Attendance and behavior

★ Progress monitoring

★ Multiple data sources guide decisions

## When More Support Is Needed

★ Extra support is a normal part of learning.

★ Interventions supplement core instruction.

★ Groups are flexible and change as needs change.

★ Students may move in and out of supports.

## Families Are Partners

★ Families are valued members of the MTSS team.

★ Communication is ongoing.

★ We welcome your questions and input.

★ Home and school work together.

## Did You Know?

★ Many students receive intervention at some point.

★ Early support prevents larger challenges.

★ Progress is reviewed regularly.

★ Our focus is helping every student succeed.

## What Parents Can Expect

Tier 1 → Tier 2 → Tier 3
