How Love Changed My Worldview

On the Environment

5.7.2023

Has your view of environmental care changed over the years?

In what way?

What caused the change?

What position did your faith community take on the environment?

Read [Psalm 145:9](#)

The word “good” means “beautiful” and the word “compassion” means “womb.”

What do these words tell us about God’s view of creation/nature and what ours should be?

Read [Psalm 104:24-26](#) and [Psalm 104:31](#).

What image of God and the creation is given in these verses?

Does that image surprise you?

The guiding principle in this teaching is “We take care of what we love.”

When it comes to the environment, what does love require of us?
