

Raise Right - Gift Cards

Overbrook continues to offer the opportunity to purchase a selection of gift cards to various stores. Each individual company gives an identified % of the sale back to Overbrook. For example if you purchase \$100 and the store offers 5% Overbrook will get \$5 from that purchase.

In addition to a percentage of your purchase going to Overbrook you are providing students with valuable work experience as they help run the program. The students gain practice with various skills such as navigating email, filling orders, keeping inventory, making deliveries, and practicing math and social interaction skills.

Ordering Options

Online Option: Go to [Registration](#) and create a free Raise Right Account (formally shopwithscrip) entering the Enrollment Code: **24A6A6BC27679**

Note: if you previously created an account at shopwithscrip then you will still have it. Once your account has been created you can enter an order. You can order either physical or electronic cards from over 500 brands. The order remains in a queue until I release it. Once Payment is received you will receive your cards. Physical cards you will receive in approximately 3 days after the order is released at which time they will be given to your child to bring home. Orders will be released at specified times for physical cards so keep a look out for those dates.

If you order electronic cards you will receive them immediately in the inbox of the email you designated as soon as I receive your payment and release the order.

Paper Form/ email option: If you choose not to register online you can still order cards by sending an email to (kbannan@obs.org) with your request. You can simply state what store and amount you would like in the email and once payment is received your cards will be sent home with your child. We do keep some common gift cards in stock so the turnaround time for those is quicker. [Link to a list of Stores and card amounts offered by Raise Right](#)

Payment:

Currently we only accept cash or checks, Checks can be made out to Overbrook School for the Blind. Please send payment in with your child in a clearly labeled envelope to Kathy Bannan's attention. Please include your name, child's name and classroom number/teacher's name. There is also an option to pay from the Raise Right mobile App -
