## 50 Ways To Leave Your Lover - Paul Simon

The problem is all inside your head

She said to me

The answer is easy if you

Take it logically

I'd like to help you in your struggle

To be free

There must be fifty ways

To leave your lover

She said, It's really not my habit to intrude

Furthermore, I hope my meaning

Won't be lost or misconstrued

But I'll repeat myself

At the risk of being crude

There must be fifty ways

To leave your lover

Fifty ways to leave your lover

You just slip out the back, Jack

Make a new plan, Stan

You don't need to be coy, Roy

Just get yourself free

Hop on the bus, Gus

You don't need to discuss much

Just drop off the key, Lee

And get yourself free

Ooh, slip out the back, Jack

Make a new plan, Stan

You don't need to be coy, Roy

Just listen to me

Hop on the bus, Gus

You don't need to discuss much

Just drop off the key, Lee

And get yourself free

She said, It grieves me so

To see you in such pain

I wish there was something I could do

To make you smile again

I said, I appreciate that

And would you please explain

About the fifty ways?

She said, Why don't we both

Just sleep on it tonight

And I believe in the morning

You'll begin to see the light

And then she kissed me

And I realized she probably was right

There must be fifty ways

To leave your lover

Fifty ways to leave your lover

You just slip out the back, Jack

Make a new plan, Stan

You don't need to be coy, Roy

Just get yourself free

Hop on the bus, Gus

You don't need to discuss much

Just drop off the key, Lee

And get yourself free

Slip out the back, Jack

Make a new plan, Stan

You don't need to be coy, Roy

Just listen to me

Hop on the bus, Gus

You don't need to discuss much

Just drop off the key, Lee

And get yourself free

## 500 Miles

If you miss the train I'm on, you will know that I am gone  
You can hear the whistle blow a hundred miles  
A hundred miles, a hundred miles, a hundred miles, a hundred miles  
You can hear the whistle blow a hundred miles

Lord, I'm one, Lord, I'm two, Lord, I'm three, Lord, I'm four  
Lord, I'm five hundred miles from my home  
Five hundred miles, five hundred miles, five hundred miles, five hundred miles  
Lord, I'm five hundred miles from my home

Not a shirt on my back, not a penny to my name  
Lord, I can't go a-home this a-way  
This a-away, this a-way, this a-way, this a-way  
Lord, I can't go a-home this a-way

If you miss the train I'm on, you will know that I am gone  
You can hear the whistle blow a hundred miles

## And the band played Waltzing Matilda - Eric Bogle

When I was a young man I carried my pack  
And I lived the free life of a rover  
From the Murrays green basin to the dusty outback  
I waltzed my Matilda all over  
Then in nineteen fifteen my country said Son  
It's time to stop rambling 'cause there's work to be done  
So they gave me a tin hat and they gave me a gun  
And they sent me away to the war  
And the band played Waltzing Matilda  
As we sailed away from the quay  
And amidst all the tears and the shouts and the cheers  
We sailed off to Gallipoli

How well I remember that terrible day  
How the blood stained the sand and the water  
And how in that hell that they called Suvla Bay  
We were butchered like lambs at the slaughter  
Johnny Turk he was ready, he primed himself well  
He chased us with bullets, he rained us with shells  
And in five minutes flat he'd blown us all to hell  
Nearly blew us right back to Australia  
But the band played Waltzing Matilda  
As we stopped to bury our slain  
We buried ours and the Turks buried theirs  
Then we started all over again

Now those that were left, well we tried to survive  
In a mad world of blood, death and fire  
And for ten weary weeks I kept myself alive  
But around me the corpses piled higher  
Then a big Turkish shell knocked me arse over tit  
And when I woke up in my hospital bed  
And saw what it had done, I wished I was dead  
Never knew there were worse things than dying

For no more I'll go waltzing Matilda  
All around the green bush far and near  
For to hump tent and pegs, a man needs two legs  
No more waltzing Matilda for me

So they collected the cripples, the wounded, the maimed  
And they shipped us back home to Australia  
The armless, the legless, the blind, the insane  
Those proud wounded heroes of Suvla  
And as our ship pulled into Circular Quay  
I looked at the place where my legs used to be  
And thank Christ there was nobody waiting for me  
To grieve and to mourn and to pity  
And the band played Waltzing Matilda  
As they carried us down the gangway  
But nobody cheered, they just stood and stared  
Then turned all their faces away

And now every April I sit on my porch  
And I watch the parade pass before me  
And I watch my old comrades, how proudly they march  
Reliving old dreams of past glory  
And the old men march slowly, all bent, stiff and sore  
The forgotten heroes from a forgotten war  
And the young people ask, "What are they marching for?"  
And I ask myself the same question  
And the band plays Waltzing Matilda  
And the old men answer to the call  
But year after year their numbers get fewer  
Some day no one will march there at all

Waltzing Matilda, Waltzing Matilda  
Who'll come a waltzing Matilda with me  
And their ghosts may be heard as you pass the Billabong  
Who'll come-a-waltzing Matilda with me?

**ALL MY TRIALS**

Hush little baby don't you cry  
You know your Mamma was born to die  
All my trials, Lord, soon be over

The River Jordan is muddy and cold  
Well it chills the body but not the soul  
All my trials, Lord, soon be over

I've got a little book was given to me  
And every page spells liberty  
All my trials, Lord, soon be over

If living were a thing that money could buy  
You know the rich would live, and the poor would die  
All my trials, Lord, soon be over

There is a tree in Paradise  
And the pilgrims call it the tree of life  
Too late, my brothers, too late, but never mind  
All my trials, Lord, soon be over

**Blooming Heather - Kate Rusby**

Oh the summertime is coming  
And the trees are sweetly blooming  
And the wild mountain thyme  
Grows around the blooming heather

*Chorus Will ye go, Lassie go?  
And we'll all go together  
To pluck wild mountain thyme  
All around the blooming heather  
Will ye go, Lassie go?*

I will build my love a tower  
Near yon' pure crystal fountain

And on it I will build  
All the flowers of the mountain  
*Chorus*

If my true love she were gone  
I would surely find another  
To pluck wild mountain thyme  
Grows around the blooming heather  
*Chorus*

Let us go, lassie, go

**Bird On The Wire - Leonard Cohen**

Like a bird on the wire,  
like a drunk in a midnight choir  
I have tried in my way to be free.

Like a worm on a hook,  
like a knight from some old fashioned book  
I have saved all my ribbons for thee.

If I, if I have been unkind,  
I hope that you can just let it go by.  
If I, if I have been untrue  
I hope you know it was never to you.

Like a baby, stillborn,

like a beast with his horn  
I have torn everyone who reached out for me.  
But I swear by this song  
and by all that I have done wrong  
I will make it all up to thee.

I saw a beggar leaning on his wooden crutch,  
he said to me, You must not ask for so much.  
And a pretty woman leaning in her darkened door,  
she cried to me, Hey, why not ask for more?  
Oh like a bird on the wire,  
like a drunk in a midnight choir  
I have tried in my way to be free.

**Brother, (Buddy) Can You Spare A Dime?**

Once I built a railroad, I made it run  
I made it run against time  
Once I built a railroad, and now it's done  
Buddy, can you spare a dime?

Once I built a tower way up to the sun  
Of bricks and mortar and lime  
Once I built a tower, and now it's done  
Buddy can you spare a dime?

Once in khaki suits, gee we looked swell  
Full of that Yankee-Doodle-Dum

A half-a-million boots went sloggin' through hell  
And I was the kid with the drum  
Say don't you remember, you called me Al  
It was Al all the time  
Say don't you remember, I was your pal  
Buddy, can you spare a dime?

Once I built a railroad, I made it run  
I made it run against time  
Once I built a railroad, and now it's done  
Buddy, can you spare a dime?

**Blowin' In The Wind - Bob Dylan**

How many roads must a man walk down  
Before they call him a man?  
How many seas must a white dove sail  
Before she sleeps in the sand?  
How many times must the cannon balls fly  
Before they're forever banned?

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind.

How many years must a mountain exist  
Before it is washed to the sea?  
How many years can some people exist  
Before they're allowed to be free?  
How many times can a man turn his head

And pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind.

How many times must a man look up  
Before he can see the sky?  
How many ears must one man have  
Before he can hear people cry?  
How many deaths will it take 'til he knows  
That too many people have died?

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind.  
The answer is blowin' in the wind.

**Because All Men Are Brothers**

Because all men are brothers wherever men may be  
and women all are sisters forever proud and free  
No tyrant shall defeat us, no nation strike us down  
And all who toil shall greet us the whole wide world around.

My brothers and my sisters forever hand in hand  
Where chimes the bell of freedom there is my native land  
My brother's fears are my fears yellow white or brown  
My sister's tears are my tears the whole wide world around.

Let every voice be thunder, let every heart beat strong  
Until all tyrants perish our work shall not be done  
Let not our memories fail us the lost year shall be found  
Let slavery's chains be broken the whole wide world around.

**Constant Sorrow**

I am a man of constant sorrow,  
I've seen trouble all my day  
I bid farewell to old Kentucky,  
The place where I was born and raised  
(The place where he was born and raised)  
For six long years I've been in trouble,  
No pleasures here on earth I found  
For in this world I'm bound to ramble,  
I have no friends to help me now  
(He has no friends to help him now)  
It's fare thee well my old lover  
I never expect to see you again

For I'm bound to ride that northern railroad,  
Perhaps I'll die upon this train  
(Perhaps he'll die upon this train)  
You can bury me in some deep valley,  
For many years where I may lay  
Then you may learn to love another,  
While I am sleeping in my grave  
(While he is sleeping in his grave)  
Maybe your friends think I'm just a stranger  
My face, you'll never see no more  
But there is one promise that is given  
I'll meet you on God's golden shore  
(He'll meet you on God's golden shore)

**Down By The Riverside**

I'm gonna lay down my sword and shield  
Down by the riverside  
Down by the riverside  
Down by the riverside  
I'm gonna lay down my sword and shield  
Down by the riverside  
I'm gonna study, study, war no more  
I ain't gonna study war no more  
Ain't gonna study war no more  
I ain't gonna study war no more  
I ain't gonna study war no more  
Ain't gonna study war no more  
I ain't gonna study war no more

I'm gonna lay down my heavy load  
Down by the riverside  
Down by the riverside  
Down by the riverside  
I'm gonna lay down my heavy load  
Down by the riverside  
Gonna study war no more

I ain't gonna study war no more  
Ain't gonna study war no more  
I ain't gonna study war no more  
I ain't gonna study war no more  
Ain't gonna study war no more  
I ain't gonna study war no more  
Ain't gonna study war no more  
Ain't gonna study war no more  
Ain't gonna study war no more  
Ain't gonna study war no more  
Ain't gonna study war no more  
Ain't gonna study war no more

Yes, laid down [?]  
Down by the riverside  
Down by the riverside  
Down by the riverside  
I'm gonna lay down my heavy load  
Down by the riverside  
God is tiding on no more  
No more

**Dance Me To The End Of Love - Leonard Cohen**

Dance me to your beauty with a burning violin  
Dance me through the panic 'til I'm gathered safely in  
Lift me like an olive branch and be my homeward dove  
Dance me to the end of love  
Dance me to the end of love

Oh let me see your beauty when the witnesses are gone  
Let me feel you moving like they do in Babylon  
Show me slowly what I only know the limits of  
Dance me to the end of love  
Dance me to the end of love

Dance me to the wedding now, dance me on and on  
Dance me very tenderly and dance me very long  
We're both of us beneath our love, we're both of us above  
Dance me to the end of love  
Dance me to the end of love

Dance me to the children who are asking to be born  
Dance me through the curtains that our kisses have outworn  
Raise a tent of shelter now, though every thread is torn  
Dance me to the end of love

Dance me to your beauty with a burning violin  
Dance me through the panic till I'm gathered safely in  
Touch me with your naked hand or touch me with your glove  
Dance me to the end of love  
Dance me to the end of love  
Dance me to the end of love

**Don't Think Twice, It's All Right - Bob Dylan**

It ain't no use to sit and wonder why, babe  
It don't matter, anyhow  
An' it ain't no use to sit and wonder why, babe  
If you don't know by now  
When your rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm trav'lin' on  
Don't think twice, it's all right

It ain't no use in turnin' on your light, babe  
That light I never knowed  
An' it ain't no use in turnin' on your light, babe  
I'm on the dark side of the road  
Still I wish there was somethin' you would do or say  
To try and make me change my mind and stay  
We never did too much talkin' anyway  
So don't think twice, it's all right

It ain't no use in callin' out my name, gal

Like you never did before  
It ain't no use in callin' out my name, gal  
I can't hear you any more  
I'm a-thinkin' and a-wond'r'in' all the way down the  
road  
I once loved a woman, a child I'm told  
I give her my heart but she wanted my soul  
But don't think twice, it's all right

I'm walkin' down that long, lonesome road, babe  
Where I'm bound, I can't tell  
But goodbye's too good a word, gal  
So I'll just say fare thee well  
I ain't sayin' you treated me unkind  
You could have done better but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's all right

**Don't Get Around Much Anymore**

Missed the Saturday dance  
Heard they crowded the floor  
Couldn't bear it without you  
Don't get around much anymore

Thought I'd visit the club  
Got as far as the door  
They'd have asked me about you  
Don't get around much anymore  
Darling, I guess my mind's more at ease  
But nevertheless why stir up memories

Been invited on dates  
Might have gone but what for  
Awfully different without you  
Don't get around much anymore  
Darling, I guess my mind's more at ease  
But nevertheless why stir up memories

Been invited on dates  
Might have gone but what for  
Awfully different without you  
Don't get around much anymore

## **Diamonds & Rust - Joan Baez**

Well I'll be damned  
Here comes your ghost again  
But that's not unusual  
It's just that the moon is full  
And you happened to call

And here I sit  
Hand on the telephone  
Hearing a voice I'd known  
A couple of light years ago  
Heading straight for a fall

As I remember your eyes  
Were bluer than robin's eggs  
My poetry was lousy you said  
Where are you calling from?  
A booth in the midwest

Ten years ago  
I bought you some cufflinks  
You brought me something  
We both know what memories can bring  
They bring diamonds and rust

Well you burst on the scene  
Already a legend  
The unwashed phenomenon  
The original vagabond  
You strayed into my arms

And there you stayed  
Temporarily lost at sea  
The Madonna was yours for free  
Yes the girl on the half-shell  
Could keep you unharmed

Now I see you standing  
With brown leaves falling all around  
And snow in your hair  
Now you're smiling out the window  
Of that crummy hotel  
Over Washington Square  
Our breath comes out white clouds  
Mingles and hangs in the air  
Speaking strictly for me  
We both could have died then and there

Now you're telling me  
You're not nostalgic  
Then give me another word for it  
You who are so good with words  
And at keeping things vague

'Cause I need some of that vagueness now  
It's all come back too clearly  
Yes I loved you dearly  
And if you're offering me diamonds and rust  
I've already paid

## **Forever Young - Bob Dylan**

May God bless and keep you always  
May your wishes all come true  
May you always do for others  
And let others do for you  
May you build a ladder to the stars  
And climb on every rung  
*Chorus May you stay  
Forever young  
Forever young  
Forever young  
May you stay  
Forever young*

May you grow up to be righteous  
May you grow up to be true

May you always know the truth  
And see the lights surrounding you  
May you always be courageous  
Stand upright and be strong  
And *Chorus*

May your hands always be busy  
May your feet always be swift  
May you have a strong foundation  
When the winds of changes shift  
May your heart always be joyful  
May your song always be sung  
And *Chorus*

**Fly Me To The Moon (In Other Words)**

Fly me to the moon  
Let me play among the stars  
Let me see what spring is like  
On a-Jupiter and Mars  
In other words: hold my hand  
In other words: baby, kiss me

Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I worship and adore

In other words: please, be true  
In other words: I love you

Fill my heart with song  
Let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words: please, be true  
In other words, in other words: I love you

**Fields of Gold - Gordon Sumner / Dusan Bogdanovic**

You'll remember me when the west wind moves upon the fields of barley  
You'll forget the sun in his jealous sky as we walk in fields of gold  
So she took her love for to gaze awhile upon the fields of barley  
In his arms she fell as her hair came down among the fields of gold  
Will you stay with me, will you be my love among the fields of barley?  
We'll forget the sun in his jealous sky as we lie in fields of gold  
See the west wind move like a lover so upon the fields of barley.  
Feel her body rise when you kiss her mouth among the fields of gold

I never made promises lightly and there have been some that I've broken  
But I swear in the days still left we'll walk in fields of gold  
We'll walk in fields of gold

Many years have passed since those summer days among the fields of barley  
See the children run as the sun goes down among the fields of gold  
You'll remember me when the west wind moves upon the fields of barley  
You can tell the sun in his jealous sky when we walked in fields of gold  
When we walked in fields of gold, when we walked in fields of gold

## Fire & Rain - James Taylor

Just yesterday mornin', they let me know you were gone  
Suzanne the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to

*Chorus:*

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Won't you look down upon me, Jesus  
You've got to help me make a stand  
You've just got to see me through another day  
My body's aching and my time is at hand  
I won't make it any other way

*Chorus*

Been walking my mind to an easy time, my back turned towards the sun  
Lord knows when the cold wind blows, it'll turn your head around  
Well there's hours of time on the telephone line to talk about things to come  
Sweet dreams and flying machines in pieces on the ground

*Chorus*

But I always thought that I'd see you baby, one more time again, now  
Thought I'd see you one more time again  
There's just a few things coming my way this time around now  
Thought I'd see you, thought I'd see you, fire and rain now  
Na na na. Na na na na na na na na na na. Na na na na na na na na  
I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you baby, one more time again, now  
Thought I'd see you one more time again  
There's just a few things coming my way this time around now  
Thought I'd see you, thought I'd see you, fire and rain now

**Home Again - Carole King**

Sometimes I wonder if I'm ever gonna make it home  
again  
It's so far and out of sight  
I really need someone to talk to, and nobody else  
Knows how to comfort me tonight

Snow is cold, rain is wet  
Chills my soul right to the marrow  
I won't be happy till I see you alone again  
Till I'm home again and feeling right

Snow is cold, rain is wet  
Chills my soul right to the marrow  
I won't be happy till I see you alone again  
Till I'm home again and feeling right  
Till I'm home again and feeling right

I wanna be home again and feeling right

**If I Had a Hammer - Pete Seeger**

If I had a hammer  
I'd hammer in the morning  
I'd hammer in the evening  
All over this land  
And I'd hammer out danger  
I'd hammer out a warning  
I'd hammer out love between my brothers and my  
sisters  
All over this land

If I had a bell  
I'd ring it in the morning  
I'd ring it in the evening  
All over this land  
I'd ring out danger  
I'd ring out a warning  
I'd ring out love between my brothers and my sisters  
All over this land, ooh

If I had a song  
I'd sing it in the morning  
I'd sing it in the evening

All over this land  
I'd sing out danger  
I'd sing out a warning  
I'd sing out love between my brothers and my sisters  
All over this land, ooh

Well I got a hammer  
And I got a bell  
And I got a song to sing  
All over this land  
It's the hammer of Justice  
It's the bell of Freedom  
It's the song about Love between my brothers and my  
sisters  
All over this land  
It's the hammer of Justice  
It's the bell of Freedom  
It's the song about Love between my brothers and my  
sisters  
All over this land

**I Will - Beatles**

Who knows how long I've loved you  
You know I love you still  
Will I wait a lonely lifetime  
If you want me to, I will  
For if I ever saw you  
I didn't catch your name  
But it never really mattered  
I will always feel the same

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together

Love you when we're apart

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the things you do endear you to me  
Oh, you know I will  
I will

**It Ain't Necessarily So - Porgy & Bess**

Ain't nessa, ain't nessa  
It ain't necessarily so

**I Say A Little Prayer**

The moment I wake up  
Before I put on my makeup  
I say a little prayer for you

While combing my hair now  
And wondering what dress to wear now  
I say a little prayer for you  
Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

I run for the bus, dear  
While riding I think of us, dear  
I say a little prayer for you  
At work I just take time  
And all through my coffee break time  
I say a little prayer for you  
Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you

Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me  
I say a little prayer for you  
I say a little prayer for you

My darling, believe me  
(Believe me)  
For me there is no one but you  
Please love me too  
(Answer my prayer)  
And I'm in love with you  
(Answer my prayer)  
Answer my prayer now, babe  
(Answer my prayer)  
Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

**I Wish I Knew How It Would Feel To Be Free**

I wish I knew how  
It would feel to be free  
I wish I could break  
All the chains holding me  
I wish I could say  
All the things that I should say  
Say 'em loud say 'em clear  
For the whole round world to hear

I wish I could share  
All the love that's in my heart  
Remove all the bars  
That keep us apart  
I wish you could know  
What it means to be me  
Then you'd see and agree  
That every man should be free

I wish I could give  
All I'm longin' to give  
I wish I could live  
Like I'm longin' to live  
I wish I could do  
All the things that I can do  
Though I'm way overdue  
I'd be starting anew.

Well I wish I could be like a bird in the sky  
How sweet it would be  
If I found I could fly  
I'd soar to the sun  
And look down at the sea  
And I sing 'cause I know  
How it feels to be free

**Long Black Veil**

Ten years ago, on a cold dark night  
Someone was killed, 'neath the town hall light  
There were few at the scene, but they all agreed  
That the slayer who ran, looked a lot like me  
The judge said son, what is your alibi  
If you were somewhere else, then you won't have to die

I spoke not a word, thou it meant my life  
For I'd been in the arms of my best friend's wife  
She walks these hills in a long black veil  
She visits my grave when the night winds wail  
Nobody knows, nobody sees  
Nobody knows but me

Oh, the scaffold is high and eternity's near  
She stood in the crowd and shed not a tear  
But late at night, when the north wind blows  
In a long black veil, she cries ov're my bones  
She walks these hills in a long black veil  
She visits my grave when the night winds wail  
Nobody knows, nobody sees  
Nobody knows but me

**Lift Every Voice And Sing- James Weldon Johnson**

Lift every voice and sing  
'Til Earth and Heaven ring  
Ring with the harmonies  
Of liberty.  
Let our rejoicing rise  
High as the listening skies  
Let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has  
taught us  
Sing a song full of the hope that the present has  
brought us.

Facing the rising sun  
Of our new day begun  
Let us march on 'til victory is won.

Now God of our winnings,  
And God of our silent tears  
Thou who has brought us that fire  
Thou who has by thy mind let us into the guide  
Keep us forever in the palm, we pray.

Sing a song full of the faith that the dark past has  
taught us  
Sing a song full of the hope that the present has  
brought us.

Facing the rising sun  
Of our new day begun  
Let us march on 'til victory is won.

**My Funny Valentine**

My funny valentine  
Sweet comic valentine  
You make me smile with my heart  
Your looks are laughable  
Unphotographable  
Yet your my favorite work of art  
Is your Figure less than Greek?  
Is your mouth a little weak?  
When you open it to speak  
Are you smart?

But don't change your hair for me  
Not if you care for me

Stay little valentine stay  
Each day is Valentines day  
Is your figure less than Greek  
Is your mouth a little weak  
When you open it to Speak  
Are you smart  
But don't change your hair for me  
Not if you care for me  
Stay little valentine stay  
Each day is valentines day

**Ohio - Crosby, Stills, Nash & Young Lyrics**

Tin soldiers and Nixon coming  
We're finally on our own  
This summer I hear the drumming  
Four dead in Ohio

Gotta get down to it  
Soldiers are cutting us down  
Should have been done long ago  
What if you knew her  
And found her dead on the ground  
How can you run when you know?  
Gotta get down to it  
Soldiers are cutting us down  
Should have been done long ago

What if you knew her  
And found her dead on the ground  
How can you run when you know?

Tin soldiers and Nixon coming  
We're finally on our own  
This summer I hear the drumming  
Four dead in Ohio

## Old Coat

Take off your old coat and roll up your sleeves,  
Life is a hard road to travel, I believe.

I look to the east, I look to the west,  
A youth asking fate to be rewardin'.  
But fortune is a blind god, flying through the clouds,  
And forgettin' me on this side of jordan.

Take off your old coat and roll up your sleeves,  
Life is a hard road to travel, I believe.

Silver spoons to some mouths, golden spoons to others,  
Dare a man to change the given order.  
Though they smile and tell us all of us are brothers,  
Never was it true this side of jordan.

Take off your old coat and roll up your sleeves,  
Life is a hard road to travel, I believe.

Like some ragged owlet with it's wings expanded,  
Nailed to some garden gate or boardin'.  
Thus will I by some men all my life be branded  
Never hurted none this side of jordan.

Take off your old coat and roll up your sleeves,  
Life is a hard road to travel, I believe.

## Pack Up Your Sorrows

*Chorus Well, if somehow you could pack up your sorrows,  
And give them all to me.  
You would lose them, I know how to use them,  
Give them all to me.*

No use cryin', talking to a stranger,  
Namin' the sorrows you've seen;  
Oh, 'cause there are too many bad times,  
Too many sad times,  
Nobody knows what you mean.  
*Chorus*

No use ramblin' walkin' in the shadows,  
Trailin' a wanderin' star.

No one beside you, no one to hide you,  
An' nobody knows where you are.

*Chorus*

No use roamin', walking by the roadside,  
Seekin' a satisfied mind.  
Ah, 'cause there are too many highways,  
Too many byways,  
Nobody's walkin' behind.  
*Chorus*

You would lose them, I know how to use them,  
Give them all to me.

## Polly Von

I shall tell of a hunter whose life was undone  
By the cruel hand of evil at the setting of the sun  
His arrow was loosed and it flew through the dark,  
And his true love was slain as the shaft found its mark.

[*Chorus:*]  
She'd her apron wrapped about her and he took her for  
a swan  
But it's oh and alas it was she, Polly Von

He ran up beside her and found it was she  
He turned away his head for he could not bear to see  
He lifted her up and found she was dead,  
A fountain of tears for his true love, he shed.

[*Chorus*]

He bore her away to his home by the sea  
Cryin' Father, oh father, I murdered poor Polly!  
I've killed my fair love in the flower of her life!  
I always intended that she be my wife.

But she'd her apron wrapped about her  
and I took her for a swan,  
And it's oh and alas it was she, Polly Von.

He roamed near the place where his true love was slain  
He wept bitter tears, but his cries were all in vain.  
As he looked on the lake, a swan glided by  
And the sun slowly sank in the grey of the sky.

[*Chorus*]

### **Puff, The Magic Dragon**

Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali  
Little Jackie Paper loved that rascal Puff  
And brought him strings and sealing wax and other fancy stuff

Oh, Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali  
Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali

Together they would travel on a boat with billowed sail  
Jackie kept a lookout perched on Puff's gigantic tail  
Noble kings and princes would bow whene'er they came  
Pirate ships would lower their flags when Puff roared out his name

Oh, Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali  
Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali

A dragon lives forever, but not so little boys  
Painted wings and giant's rings make way for other toys  
One gray night it happened, Jackie Paper came no more  
And Puff, that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain  
Puff no longer went to play along the cherry lane  
Without his lifelong friend, Puff could not be brave  
So Puff, that mighty dragon, sadly slipped into his cave

Oh, Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali  
Puff the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honali

### **Red River Valley - Marty Robbins**

From this valley they say you are leaving  
We shall miss your bright eyes and sweet smile  
For you take with you all of the sunshine  
That has brightened our pathway a while  
Then come sit by my side if you love me  
Do not hasten to bid me adieu  
Just remember the Red River Valley  
And the cowboy that's loved you so true

For the sweet words you never would say  
Now at last all my fond hopes have vanished  
For they say that you're going away  
Then come sit by my side if you love me  
Do not hasten to bid me adieu  
Just remember the Red River Valley  
And the cowboy that's loved you so true

For a long time, my darlin', I've waited

## **Rainbow Connection - The Muppets**

---

Why are there so many  
Songs about rainbows  
And what's on the other side  
Rainbows are visions  
They're only illusions  
And rainbows have nothing to hide  
So we've been told and some chose to  
Believe it  
But I know they're wrong wait and see  
Someday we'll find it  
The Rainbow Connection  
The lovers, the dreamers and me  
Who said that every wish  
Would be heard and answered  
When wished on the morning star  
Somebody thought of that  
And someone believed it  
And look what it's done so far  
What's so amazing

That keeps us star gazing  
What so we think we might see  
Someday we'll find it  
That Rainbow Connection  
The lovers the dreamers and me  
Have you been fast asleep  
And have you heard voices,  
I've heard them calling my name,  
Is this the sweet sound that calls  
The young sailors,  
The voice might be one and the same.  
I've heard it too many times to ignore it  
It's something that i'm supposed to be,  
Someday we'll find it  
The rainbow connection...  
The lovers, the dreamers and me  
La lala la lala la la la lala la la

## **Summertime**

Summertime, and the livin' is easy  
Fish are jumpin' and the cotton is high  
Oh, your daddy's rich and your ma is good-lookin'  
So hush, little baby, don't you cry  
One of these mornings you're gonna rise up singing  
And you'll spread your wings and you'll take to the sky  
But till that morning, there ain't nothin' can harm you  
With daddy and mammy standin' by  
One of these mornings you're gonna rise up singing  
And you'll spread your wings and you'll take to the sky  
But till that morning, there ain't nothin' can harm you  
With daddy and mammy standin' by  
Summertime, and the livin' is easy  
Fish are jumpin' and the cotton is high  
Oh, your daddy's rich and your ma is good-lookin'  
So hush, little baby, don't you cry

## **Sunrise Sunset - Fiddler on The Roof - Waltz**

---

Is this the little girl i carried?  
Is this the little boy at play?  
I don't remember growing older,  
When did they?  
When did she get to be a beauty?  
When did he grow to be so tall?  
Wasn't it yesterday when they were small?  
Sunrise sunset, sunrise, sunset,  
Swiftly flow the days,  
Seedlings turn overnight to sunflowers,

Blossoming even as they gaze...  
Sunrise sunset, sunrise, sunset!  
Swiftly fly the years,  
One season following another,  
Laden with happiness and tears...  
One season following another,  
Laden with happiness and tears...

**Someone To Watch Over Me**

There is somebody  
I'm longing to see  
I hope that she  
Turns out to be  
Someone who'll watch over me  
I'm a little lamb  
Who's lost in the wood  
I know I could  
Always be good  
To one who'll watch over me  
Although she may not be the girl  
Some men think of  
As pretty  
To my heart  
She carries the key  
Won't you tell her please

To put on some speed  
Follow my lead  
Oh, how I need  
Someone to watch over me  
Although she may not be the girl  
Some men think of  
As pretty  
To my heart  
She carries the key  
Won't you tell her please  
To put on some speed  
Follow my lead  
Oh how I need  
Someone to watch  
Over me  
Someone to watch Over me.

**Sweet Sir Galahad - Joan Baez**

Sweet Sir Galahad  
Came in through the window  
In the night when  
The moon was in the yard.  
He took her hand in his  
And shook the long hair  
From his neck and he told her  
She'd been working much too hard.  
It was true that ever since the day  
Her crazy man had passed away  
To the land of poet's pride,

She laughed and talked a lot  
With new people on the block  
But always at evening time she cried.  
And here's to the dawn of their days.  
She moved her head  
A little down on the bed  
Until it rested softly on his knee.  
And there she dropped her smile  
And there she sighed awhile,  
And told him all the sadness  
Of those years that numbered three.  
Well you know I think my fate's belated

Because of all the hours I waited  
For the day when I'd no longer cry.  
I get myself to work by eight  
But oh, was I born too late,  
And do you think I'll fail  
At every single thing I try?  
And here's to the dawn of their days.

He just put his arm around her  
And that's the way I found her  
Eight months later to the day.  
The lines of a smile erased  
The tear tracks upon her face,  
A smile could linger, even stay.

Sweet Sir Galahad went down  
With his gay bride of flowers,  
The prince of the hours  
Of her lifetime.  
And here's to the dawn  
Of their days,  
Of their days.

**Scarborough Fair**

Are you going to Scarborough Fair:  
Parsley, sage, rosemary and thyme.  
Remember me to one who lives there.  
She once was a true love of mine.

Tell her to make me a cambric shirt:  
Parsley, sage, rosemary and thyme;  
Without no seams nor needle work,  
Then she'll be a true love of mine.

Tell her to find me an acre of land:  
Parsley, sage, rosemary and thyme;

Between the salt water and the sea strands,  
Then she'll be a true love of mine.

Tell her to reap it with a sickle of leather:  
Parsley, sage, rosemary and thyme;  
And gather it all in a bunch of heather,  
Then she'll be a true love of mine.  
Are you going to Scarborough Fair:  
Parsley, sage, rosemary and thyme.  
Remember me to one who lives there.  
She once was a true love of mine.

**Skylark**

Skylark, Have you anything to say to me  
Won't you tell me where my love can be  
Is there a meadow in the mist  
Where someone's waiting to be kissed

Oh skylark  
Have you seen a valley green with spring  
Where my heart can go a-journeying  
Over the shadows and the rain  
To a blossom-covered lane  
And in your lonely flight  
Haven't you heard the music in the night  
Wonderful music

Faint as a will o' the wisp  
Crazy as a loon  
Sad as a gypsy serenading the moon

Oh skylark  
I don't know if you can find these things  
But my heart is riding on your wings  
So if you see them anywhere  
Won't you lead me there  
Oh skylark  
Won't you lead me there

**Stardust**

Sometimes I wonder why I spend  
The lonely night  
dreaming of a song  
The melody haunts my reverie  
And I am once again with you  
When our love was new  
And each kiss an inspiration  
But that was long ago  
And now my consolation  
Is in the stardust of a song  
Beside a garden wall  
When stars are bright  
You are in my arms

The nightingale tells his fairy tale  
Of paradise where roses bloom  
Though I dream in vain  
In my heart there always will remain  
My stardust melody  
The memory of love's refrain  
Though I dream in vain  
In my heart there always will remain  
My stardust melody  
The memory of love's refrain

**Somewhere -Richard Mullins**

Someday  
Somewhere  
We'll find a new way of living  
We'll find a way of forgiving  
Somewhere  
There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us somewhere  
There's a time for us  
Someday there'll be a time for us  
Time together with time to spare  
Time to learn  
Time to care

Someday  
Somewhere  
We'll find a new way of living  
We'll find there's a way of forgiving  
Somewhere  
Somewhere  
Somewhere  
There's a place for us  
A time and a place for us  
Hold my hand and we're half way there  
Hold my hand and I'll take you there  
Somehow  
Someday  
Somewhere

**So Far Away - Carole King**

So far away  
Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
Doesn't help to know you're just time away

Long ago I reached for you and there you stood  
Holding you again could only do me good  
Oh, how I wish I could  
But you're so far away

One more song about moving along the highway  
Can't say much of anything that's new  
If I could only work this life out my way  
I'd rather spend it being close to you

But you're so far away  
Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
Doesn't help to know you're so far away

Traveling around sure gets me down and lonely  
Nothing else to do but close my mind  
I sure hope the road don't come to own me  
There's so many dreams I've yet to find

But you're so far away  
Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
Doesn't help to know you're so far away

**Still Crazy After All These Years - Paul Simon**

I met my old lover  
On the street last night  
She seemed so glad to see me  
I just smiled  
And we talked about some old times  
And we drank ourselves some beers  
Still crazy after all these years  
Oh Still crazy after all these years

I'm not the kind of man  
Who tends to socialize  
I seem to lean on  
Old familiar ways  
And I ain't no fool for love songs  
That whisper in my ears  
Still crazy after all these years  
Oh still crazy after all these years  
Four in the morning  
Crapped out

Yawning  
Longing my life away  
I'll never worry  
Why should I?  
It's all gonna fade  
Now I sit by my window  
And I watch the cars  
I fear I'll do some damage  
One fine day  
But I would not be convicted  
By a jury of my peers  
Still crazy after all these years  
Oh still crazy  
Still crazy  
Still crazy after all these years

### **Somewhere over the rainbow**

Somewhere over the rainbow way up high  
There's a land that I heard of once in a lullaby  
Somewhere over the rainbow skies are blue  
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Way above the chimney tops that's where you'll find me

Somewhere over the rainbow bluebirds fly

Birds fly over the rainbow why then oh why can't I?  
Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Way above the chimney tops that's where you'll find me

Somewhere over the rainbow the bluebirds fly  
Birds fly over the rainbow why then oh why can't I?

If bluebirds fly above the rainbow why, oh why can't I?

### **The Times They Are A-Changin' - Bob Dylan**

Come gather 'round people where ever you roam  
And admit that the waters around you have grown  
And accept it that soon you'll be drenched to the bone  
If your time to you is worth savin'  
Then you better start swimmin' or you'll sink like a stone,  
For the times they are a' changin'!

Come writers and critics who prophesy with your pen  
And keep your eyes wide the chance won't come again  
And don't speak too soon for the wheel's still in spin  
And there's no tellin' who that it's namin'  
For the loser now will be later to win  
For the times they are a' changin'!

Come senators, congressmen please heed the call  
Don't stand in the doorway don't block up the hall  
For he that gets hurt will be he who has stalled  
There's a battle outside and it's ragin'  
It'll soon shake your windows and rattle your walls  
For the times they are a' changin'!

Come mothers and fathers throughout the land  
And don't criticize what you can't understand  
Your sons and your daughters are beyond your command  
Your old road is rapidly agin'  
Please get out of the new one if you can't lend your hand  
For the times they are a' changin'!

The line it is drawn the curse it is cast  
The slow one now will later be fast  
As the present now will later be past  
The order is rapidly fadin'  
And the first one now will later be last  
For the times they are a' changin'!

**They Call The Wind Mariah**

Way out west, they got a name  
For rain and wind and fire  
The rain is Tess, the fire's joe and  
They call the wind Mariah

O no, Mariah blows the stars around  
And sends the clouds a-flying  
Mariah makes the mountain sounds  
Like folks were up there dying  
Mariah, They call the wind Mariah

Now before I knew Mariahs name  
And heard her wail and whining  
I had a girl and she had me  
And the sun was always shining  
O, but then one day I left my girl  
I left her far behind me  
And now I'm lost, I'm oh so lost

Not even God can find me

Mariah, O, Mariah, They call the wind Mariah  
I hear they got a name for rain  
And wind and fire only  
But when you're lost and all alone  
There ain't no words but lonely  
And I'm a lost and lonely man  
Without a star to guide me  
Mariah, blow your love to me  
I need my girl beside me  
He, Mariah, O, Mariah  
I'm lonely can't you see  
Mariah, O, Mariah  
Please blow my love to me  
Mariah, blow my love to me

**Suzanne - Leonard Cohen**

Suzanne takes you down to her place near the river  
You can hear the boats go by  
You can spend the night beside her  
And you know that she's half crazy  
But that's why you want to be there  
And she feeds you tea and oranges  
That come all the way from China  
And just when you mean to tell her  
That you have no love to give her  
Then she gets you on her wavelength  
And she lets the river answer  
That you've always been her lover  
And you want to travel with her  
And you want to travel blind  
And you know that she will trust you  
For you've touched her perfect body with your mind.

And Jesus was a sailor  
When he walked upon the water  
And he spent a long time watching  
From his lonely wooden tower  
And when he knew for certain  
Only drowning men could see him  
He said All men will be sailors then  
Until the sea shall free them  
But he himself was broken

Long before the sky would open  
Forsaken, almost human  
He sank beneath your wisdom like a stone  
And you want to travel with him  
And you want to travel blind  
And you think maybe you'll trust him  
For he's touched your perfect body with his mind.

Now Suzanne takes your hand  
And she leads you to the river  
She is wearing rags and feathers  
From Salvation Army counters  
And the sun pours down like honey  
On our lady of the harbour  
And she shows you where to look  
Among the garbage and the flowers  
There are heroes in the seaweed  
There are children in the morning  
They are leaning out for love  
And they will lean that way forever  
While Suzanne holds the mirror  
And you want to travel with her  
And you want to travel blind  
And you know that you can trust her  
For she's touched your perfect body with her mind.

**Sisters Of Mercy - Leonard Cohen**

Oh the sisters of mercy, they are not departed or gone.  
They were waiting for me when I thought that I just can't go on.  
And they brought me their comfort and later they brought me this song.  
Oh I hope you run into them, you who've been travelling so long.

Yes you who must leave everything that you cannot control.  
It begins with your family, but soon it comes around to your soul.  
Well I've been where you're hanging, I think I can see how you're pinned:  
When you're not feeling holy, your loneliness says that you've sinned.  
Well they lay down beside me, I made my confession to them.  
They touched both my eyes and I touched the dew on their hem.  
If your life is a leaf that the seasons tear off and condemn  
they will bind you with love that is graceful and green as a stem.

When I left they were sleeping, I hope you run into them soon.  
Don't turn on the lights, you can read their address by the moon.  
And you won't make me jealous if I hear that they sweetened your night:  
We weren't lovers like that and besides it would still be all right,  
We weren't lovers like that and besides it would still be all right.

**Be My Baby - The Ronettes**

The night we met I knew I needed you so  
And if I had the chance I'd never let you go  
So won't you say you love me  
I'll make you so proud of me  
We'll make 'em turn their heads every place we go  
So won't you, please, be my, be my baby  
Be my little baby, my one and only baby  
Say you'll be my darlin', be my, be my baby  
Be my baby now, my one and only baby

I'll make you happy, baby, just wait and see  
For every kiss you give me I'll give you three  
Oh, since the day I saw you  
I have been waiting for you  
You know I will adore you 'til eternity  
So won't you, please, be my, be my baby  
Be my little baby, my one and only baby  
Say you'll be my darlin', be my, be my baby

Be my baby now, my one and only baby  
Wha oh oh oh oh  
So come on and, please, be my, be my baby  
Be my little baby, my one and only baby  
Say you'll be my darlin', be my, be my baby  
Be my baby now, my one and only baby  
Wha oh oh oh  
Be my, be my baby, be my little baby  
My one and only baby, oh oh  
Be my, be my baby, oh  
My one and only baby, wha oh oh oh oh  
Be my, be my baby, oh  
My one and only baby, oh  
Be my, be my baby, oh  
Be my baby now

**The Water Is Wide**

The water is wide, I can't cross over, and neither have I wings to fly.  
Build me a boat that can carry two and both shall row, my love and I.  
There is a ship and she sails the sea. She's loaded deep, as deep can be.  
But not so deep as the love I'm in, I know not how I sink or swim.  
Oh love is handsome and love is fine, the sweetest flower when first it's new.  
But love grows old and waxes cold and fades away like Summer dew.  
Build me a boat that can carry two and both shall row, my love and I,  
And both shall row, my love and I.

**We Shall Overcome**

We shall overcome,  
We shall overcome,  
We shall overcome, some day.  
Oh, deep in my heart,  
I do believe  
We shall overcome, some day.

We'll walk hand in hand,  
We'll walk hand in hand,  
We'll walk hand in hand, some day.  
Oh, deep in my heart,

We shall live in peace,  
We shall live in peace,  
We shall live in peace, some day.  
Oh, deep in my heart,

We shall all be free,  
We shall all be free,  
We shall all be free, some day.  
Oh, deep in my heart,

We are not afraid,  
We are not afraid,  
We are not afraid, TODAY  
Oh, deep in my heart,

We shall overcome,  
We shall overcome,  
We shall overcome, some day.  
Oh, deep in my heart,  
I do believe  
We shall overcome, some day.

**What's Love Got To Do With It - Tina Turner**

You must understand  
Though the touch of your hand  
Makes my pulse react  
That it's only the thrill  
Of boy meeting girl  
Opposites attract

It's physical  
Only logical  
You must try to ignore  
That it means more than that

[Chorus:]  
Oh what's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart  
When a heart can be broken

It may seem to you  
That I'm acting confused  
When you're close to me  
If I tend to look dazed

I've read it someplace  
I've got cause to be

There's a name for it  
There's a phrase that fits  
But whatever the reason  
You do it for me

[Chorus]

I've been taking on a new direction  
But I have to say  
I've been thinking about my own protection  
It scares me to feel this way

[Chorus]

What's love got to do, got to do with it  
What's love but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken

**Will The Circle Be Unbroken - Pete Seeger**

I was standing by my window,  
On one cold and cloudy day  
When I saw that hearse come rolling  
For to carry my mother away  
Will the circle be unbroken  
by and by, Lord, by and by  
There's a better home a-waiting  
in the sky, Lord, in the sky

I said to that undertaker  
undertaker please drive slow  
for this lady you are carrying  
Lord, I hate to see here go  
Will the circle be unbroken  
by and by, Lord, by and by  
There's a better home a-waiting  
in the sky, Lord, in the sky

Oh, I followed close behind her  
Tried to hold up and be brave  
But I could not hide my sorrow

When they laid her in the grave  
Will the circle be unbroken  
by and by, Lord, by and by  
There's a better home a-waiting  
in the sky, Lord, in the sky

I went back home, my home was lonesome  
missed my mother, she was gone  
all of my brothers, sisters crying  
what a home so sad and lone  
Will the circle be unbroken  
by and by, Lord, by and by  
There's a better home a-waiting  
in the sky, Lord, in the sky

Will the circle be unbroken  
by and by, Lord, by and by  
There's a better home a-waiting  
in the sky, Lord, in the sky

**You've Got a Friend - Carole King**

When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night  
*Chorus:* You just call out my name  
And you know wherever I am  
I'll come running, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together  
And call my name out loud  
Soon you'll hear me knocking at your door  
You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah, to see you again  
Winter, spring, summer or fall  
All you have to do is call

And I'll be there, yes, I will

Now, ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes, and desert you  
And take your soul if you let them, oh, but don't you let them  
You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there, yes, I will  
You've got a friend  
You've got a friend

Ain't it good to know you've got a friend?  
Ain't it good to know, ain't it good to know, ain't it good to know  
You've got a friend?  
Oh yeah now, you've got a friend  
Yeah baby, you've got a friend  
Oh yeah, you've got a friend

**Streets Of London - Ralph McTell**

Have you seen the old man  
In the closed-down market  
Kicking up the paper,  
with his worn out shoes?  
In his eyes you see no pride  
Hand held loosely at his side  
Yesterday's paper telling yesterday's news

Have you seen the old girl  
Who walks the streets of London  
Dirt in her hair and her clothes in rags?  
She's no time for talking,  
She just keeps right on walking  
Carrying her home in two carrier bags.

In the all night cafe  
At a quarter past eleven,  
Same old man is sitting there on his own

Looking at the world  
Over the rim of his tea-cup,  
Each tea lasts an hour  
Then he wanders home alone

So how can you tell me you're lonely,  
And say for you that the sun don't shine?  
Let me take you by the hand and walk you through  
the streets of London  
I'll show you something to make you change your mind

Have you seen the old man  
Outside the Seaman's Mission  
Memory fading with the medals that he wears  
In our winter city,  
The rain cries a little pity  
For one more forgotten hero  
And a world that doesn't care

**Seven Bridges Road - Steve Young**

There are stars  
In the Southern sky  
Southward as you go  
There is moonlight  
And moss in the trees  
Down the Seven Bridges Road  
Now I have loved you like a baby  
Like some lonesome child  
And I have loved you in a tame way  
And I have loved you wild  
Sometimes there's a part of me  
Has to turn form here and go  
Running like a child from these warm stars  
Down the Seven Bridges Road  
There are stars in the Southern sky  
And if ever you decide  
You should go  
There is a taste of time sweetened honey  
Down the Seven Bridges Road
