The PYAL Lakers Elementary Cross Country program is a running club that is intended to introduce children to the sport of running and to teach a healthy lifestyle. Students will be able to participate in fun run races. The season starts in late August and runs approximately until mid October. This program is coordinated by volunteers, and is not supported by the athletic department. By signing below you release discharge or indemnify, Danbury Local Schools, and any and all volunteers of claims and liability associated with the program. By giving your child permission to participate, you indicate that your child has no medical condition that would prohibit his/her active participation in the program. Costs and transportation arrangements are the responsibility of the parents/guardians of the students. Due to the cost of pre-ordering materials for participation it is agreed that one half of the registration will be refunded on a case by case basis upon request.

I grant permission for my child to participate in the P.Y.A.L
Laker Elementary Cross Country Program and will pay \$40 to cover the cost: Race T-shirt, entry
fees, pizza party, awards, and insurance.

Parent/Guardian Signature

Date
