

ETC-AI Data Processing Agreement (DPA)

*This agreement is made between [Data Controller] ("Controller") and [Data Processor] ("Processor").

1. Definitions and Interpretation

- Define critical terms such as Personal Data, Data Subject, Processing, etc., per GDPR guidelines.

2. Subject Matter and Duration

- Outline the scope, nature, and purpose of processing.
- Specify the duration of processing.

3. Processor's Obligations

- Processor to process personal data only on documented instructions from the

Controller.

- Ensure the confidentiality of personal data processed.
- Implement appropriate security measures.
- Respect conditions for engaging sub-processors.

4. Controller's Obligations

- Ensure lawful transfer of personal data to the Processor.
- Document processing instructions for the Processor.

5. Data Subject Rights

- Procedures for responding to data subjects' rights under GDPR.

6. Data Transfer*

- Conditions for data transfer outside the European Economic Area, if applicable.

7. Data Breach Notification

- Processor to notify the Controller immediately upon becoming aware of a personal data breach.

8. Data Protection Impact Assessment and Prior Consultation*

- Processor to assist the Controller with DPIAs and prior consultations with supervisory authorities, if necessary.

9. Deletion or Return of Personal Data*

- Procedures for the deletion or return of personal data after the end of the provision of services.

10. Audit Rights*

- The Controller's rights to conduct audits or inspections.

11. Sub-processors*

- Conditions and procedures for engaging sub-processors.

12. Governing Law and Jurisdiction*

- Applicable law and jurisdiction in case of disputes.
