ABOUT THIS BIKE RIDE: This is the first of seven bike rides that the troop has scheduled between October and January to help Scouts fulfill the requirements for Cycling Merit Badge. Two 10-mile rides, two 15-mile rides, two 25-mile rides and a final 50-mile ride are required for the badge. In addition to the scheduled rides, one or two makeup rides may be added if needed. All rides will be on fairly flat ground; primarily on off-road bike paths and bike trails. For this ride, we will ride up the South Bay Bike Trail from Torrance Beach to the Manhattan Beach Pier and back.

Scouts will be required to turn in a short report at the end of each ride. We will be going over the non-riding merit badge requirements – bicycle safety, adjustments, repairs, etc. – during the rides, at troop meetings, and a final 2 hour meeting.
