Unit 6 Lesson 3

Cyber Community Dialogue

Directions: Below is a dialogue between you and a younger student. In this dialogue, the younger student is asking you questions. You will notice that there is no dialogue next to the word You. That is where you will write your responses to the younger student.

1. Younger Student: What is a cyber community, and when am I a part of it?

You:

2. Younger Student: What do I do if my friend wants me to watch a video at my house?

You:

3. Younger Student: If my neighbor that I am friends with in real life wants to be my friend online, is that OK?

You:

4. Younger Student: What do I do if someone wants to be my friend, and I don't know who the person is?

You:
