

Name: _____

- ☐ Mark on the rubric below where you feel like you fall on the scales of 1-5 for each criteria.
- ☐ Complete the reflection questions and leak test.

MUG RUBRIC	Excellent 5	Good 4	Fair 3	Poor 2	Incomplete 1
THICKNESS OF WALLS: even and consistent, approx. ¼" thick.					
JOINTS: slipped and scored thoroughly, smoothed and compressed seams.					
HANDLE: evenly made, smooth to the touch, comfortable shape to hold, strong attachment					
OVERALL WEIGHT: lightweight enough to use, not top-heavy and properly balanced to sit.					
SURFACE: feels finished, smooth to touch, lip smooth for drinking, base refined/trimmed.					
DECORATION: Any added decoration was well timed for drying and enhances look of mug AND/OR mug is glazed properly.					
TIME MANAGEMENT: finished in timely manner with attention paid to drying stages.					

REFLECTION:

Did you get better at building mugs this year? What did you get better at? Describe what you feel you improved on doing.

--

Is there something about mug making you still struggle with? Describe what challenges you are still working on.

--

LEAK TEST: fill glazed mug with water. Place on paper towel. Check the next day/later for leakage. If there is no ring of water, your mug is waterproof and does not leak.

IS MY MUG WATERPROOF: _____yes. _____no
