Supplies:

- **Stamp Sets –** Paper Tags Stamp Set [165454]
- **Card Stock** – Basic Black (121045)
- **Stamp Pads** – VersaMark Ink Pad [102283]
- **Misc**. – Full of Life 6" x 6" Designer Series Paper (163357); Paper Snips Scissors (103579); Paper Trimmer (152392); Bone Folder (102300); Multipurpose Liquid Glue (110755); Stampin' Dimensionals (104430); So Swirly 3D Embossing Folder [163791]; Perennial Postage Dies [162607]; Stylish Shapes Dies [159183]; Stampin' Cut & Emboss Machine [149653]; WOW! Basics White Embossing Powder [165679]; Heat Tool [129053]; Basic Rhinestones [144220]

Measurements:

- **Basic Black:** 8 ½" x 11" (score at 4 ¼" along 8 ½" side, rotate 180°, cut at 5 ½" to create 2 card bases)
- **Scrap or Neutral Cardstock Panels:** (2) pieces 4" x 5 ¼"
- **Full of Life Designer Series Paper:** (3) 6" x 6" pieces, each a different pattern

Instructions:

1. Fold Basic Black cardstock in half to create two card bases.
2. Emboss the front of one card using the So Swirly 3D Embossing Folder. Set aside.
3. Choose three patterns from the Full of Life DSP. Die cut one with the large Perennial Postage Die (approx. 4 ½" x 3 ¼"). Cut the centre from that same piece with the medium die (approx. 2 ½" x 1 ¾"). Die cut a third pattern with the smallest die (approx. 1 ¾" x 1 ½"). Adhere all three die-cut pieces to one of the 4" x 5 ¼" cardstock panels: First

the large frame. Then nest the medium piece in the centre. Finish with the smallest piece on top. Set this layered panel aside.

4. For the second 4" x 5 ¼" panel, glue leftover DSP strips across the surface to completely cover it. Trim as needed so the panel measures exactly 4" x 5 ¼"
5. Using the large Perennial Postage Die, cut out the centre of the striped panel and set aside the outer frame.
6. Take the centre piece from the striped panel and emboss it using the butterfly postal image die from Perennial Postage. Adhere it to the front of your embossed Basic Black card base.
7. Stamp sentiment in VersaMark Ink on Basic Black card stock, heat emboss in white, and die cut using a Stylish Shapes circle.
8. Attach to circle die cut to card front with Stampin' Dimensionals and embellish with Basic Rhinestones. This completes card #1.
9. Take the striped DSP frame from Step 4 and adhere your layered DSP panel from Step 3 into the centre. Run the entire panel through the So Swirly 3D Embossing Folder. Adhere to your second Basic Black card base.
10. Stamp *"You Are So Very Kind"* in VersaMark on Basic Black card stock, emboss in white, and die cut with the approx. 2" x 1" Perennial Postage Die. Attach to card with Dimensionals and add Basic Rhinestones. *You now have two awesome cards!*
