A D A

Josie, I won't fail ya

E A

I won't fail you, have no fear

As the tide of dawn is sleeping

Over the land, the day is near

The long breezes are blowin'

How did you come to love me

When you didn't love me at all?

Josie, I won't fail ya

E A

As she lies here on my breast

D A

In the night I think about her

E A

In the day I get no rest

[Verse 4]

D A

God bless you darling Josie

E A

With your sparklin' eyes, so bright and clear

D A

Josie, I won't fail ya

E A

I won't fail you, have no fear

[Verse 5]

D A

Josie, I won't fail ya

E A

I won't fail you, have no fear

D A

Josie, I won't fail ya

E A

Give me one more chance, the day is near
