- C.O.D - Shooting
- Victim - Darrell Crawford (37 years old)
- Suspect - Not publicly identified (? years old)
- Details - The victim and the suspect had ongoing confrontations and beef, in which the deceased victim was allegedly the aggressor. In this particular instance, both men were in separate cars with the victim following the suspect until the suspect stopped in the block of 4400 N Main St. There, the suspect was violently confronted by the victim, who exited his car brandishing a knife and threatened him. The suspect retrieved a gun from his own car and fatally shot the victim before leaving scene. By the time police arrived, bystanders in the neighborhood were providing first aid to the victim, who was laying in the street. After developing info about the responsible suspect, he turned himself in voluntarily and told detectives his side of the story. So far, the case appears to be self-defense and no charges have been filed.
