Dear Parents/Guardians:

Your child has expressed an interest in joining the Lego/Robotics Club! This club is designed for students who love exploring subjects beyond the classroom setting. Many different activities have been planned, and we will discuss, as a group, any particular interests the students have. Problem-solving and logical thinking skills will be emphasized. Please read through this letter with your children, complete the attached page, and return it to Ms. Sealander by September 29, 2025.

- The Lego/Robotics Club is open to grades 5-8 students.
- The club will meet on scheduled Tuesdays from 3:00 P.M. to 4:00 P.M. in the library for hands-on activities. (See attached schedule)
- You may check Ms. Sealander's website for meeting dates. There is also a list of dates attached. Dates may need to be updated due to staff obligations, so please check the website for updates.
- The Hamburg School *Code of Conduct* and discipline expectations will apply to the club.
- The student understands he/she will be asked to leave the club if behavior is inappropriate, is failing any class, or a C average is not maintained, or is not constructively using club time.
- Each club member understands that he/she will be responsible for any equipment used during club activities.
- ***If your son/daughter will not be attending a meeting, please contact me via email or call the school office and alert us of the absence.***
- Parents are responsible for promptly picking up their children at the middle school doors. If your child walks home, please indicate so at the bottom of the page.
- **Your child will NOT be permitted to walk home without your written permission.**
- Please indicate any other parent/adult who can take your child home by listing their names on the permission form.

I am very excited and look forward to working with your children!

Please contact me with any questions.

Respectfully,

Ms. Sealander
Club Advisor
msealander@hamburgschool.com

Please complete the attached form and return it to school by Tuesday, September 29, 2025.

My child has permission to join the Hamburg School Lego/Robotics Club. I have read the club requirements and understand the expectations. **I understand that I am responsible for picking up my child at 4:00 P.M. on meeting dates at the middle school doors.**
