

Where do I go?	Access Canvas via the <i>NC Ed Cloud</i> login using your Student ID and Password: https://my.ncedcloud.org/ . There is a quick link in your CHCCS Bookmarks folder in the Chrome browser. On your mobile device, search the app store for the Canvas Teacher app (by Instructure) and use the URL: <i>chccs.instructure.com</i> . If you want to sync Canvas grades with your PowerTeacher Pro gradebook, click here .
What will I see?	The first thing you will see after logging into Canvas is the <i>Dashboard</i> (https://community.canvaslms.com/docs/DOC-12892-4152719656). The Dashboard displays course cards for your favorite courses and helps you see what is happening in those courses. The <i>Dashboard</i> includes a sidebar, which contains the To Do list, upcoming events, and access to grades. To add a course to the <i>Dashboard</i> , click on the <i>Courses</i> tab in the Global Navigation Menu, click the star beside the course name to add it as a favorite to be displayed on the <i>Dashboard</i> .
What are Notifications?	You can select your notification preferences by clicking <i>Account</i> in the side bar and selecting <i>Notifications</i> . https://s3.amazonaws.com/tr-learncanvas/docs/CanvasNotifications.pdf Video Tutorial: https://vimeo.com/showcase/6792718/video/75514816
What are Announcements?	Announcements allow instructors to communicate with students about course activities and post interesting course-related topics. Announcements are designed to allow instructors to broadcast information out to all members of a course or to all members of sections within a course. https://community.canvaslms.com/docs/DOC-10736-67952724136 Video Tutorial: https://vimeo.com/showcase/6792718/video/72222376
What are Modules?	Modules are the foundational structural component of Canvas. Most teachers use Modules to organize the course content and provide navigational buttons for students moving through the course. Modules mostly likely include Assignments, Quizzes, Links, and Discussion boards https://community.canvaslms.com/docs/DOC-10735-what-are-modules Video Tutorial: https://vimeo.com/showcase/6792718/video/72433830
What are Assignments?	Assignments include Quizzes, graded Discussions, and online submissions (i.e. files, images, text, URLs, etc.). Assignments in Canvas can be used to challenge students' understanding and help assess competency by using a variety of media. The Assignments page shows students all of the Assignments that will be expected of them and how many points each is worth. https://community.canvaslms.com/docs/DOC-10733-67952724474 Video Tutorial: https://vimeo.com/showcase/6792718/video/71970884

What are Discussions?

Canvas provides an integrated system for class discussions, allowing both instructors and students to start and contribute to as many discussion topics as desired. Discussions allows for interactive communication between two or more people; users can participate in a conversation with an entire class or group.
