Here we do a lot of speed/endurance work that will prepare us for the start of the season, and more specifically our first meet on August 19th at St. Johns High School. From people who are experienced at distance running to people who are running for the first time, everyone is welcome to work out with us and receive training adequate for their fitness level. In addition to practice, there are lots of team events occurring throughout the season. From team dinners, to slurpee runs, to water wars, to our banquet at the end of the season, there are lots of reasons to sign up. We look forward to seeing you soon!
