Dear Parent/Guardian of a 6th Grade student:

Due to the current low numbers on our 7th and 8th grade JH football team, we are inviting 6th grader to participate in JH football this season. In order to participate all 6th graders need to have passing grades and be caught up with their homework. They also need to demonstrate good behavior in school and sports. A referral for misbehavior will result in consequences on their participation as well. They also need to attend all practices and assigned games, unless sick or excused for good reason. Practices are either in Goodridge or Grygla and run from 4:00-6:30 and 4:00-6:00 on Wednesdays. Games are spread out throughout the season. If you allow your 6th grader to participate in JH FB this year, their first practice will be on Tuesday September 8th in Goodridge from 4:00-6:30 (they can start earlier if all of their forms have been turned in). Click on this link for the 2026 **football practice and game schedule**:

The Charger Athletic Update contains all the current most useful information. This is emailed out on Thursday. When you fill out the sign-up sheet we will use the email address to include it in our email group so you receive this update on Thursdays. Click on the link for the next 2 week's schedule. If you are not receiving athletic update emails, please email bmolson@grygla.k12.mn.us and say "add me to the athletic updated list." https://docs.google.com/document/d/1hMGDbw3Pqos6GjJTWwIkHkumDzcihwx2g6DBoiJR2iI/edit?usp=sharing

Each 6th grader will receive playing time that will be fairly even with other 6th graders to the best of the coach's ability.

If you are interested in allowing your 6th grader to participate in JH FB this season, parents must complete the forms in the steps below and pay the $60 sports deposit and $90 football fee by Tuesday, September 8th by 3:00 PM. Your child must also have a physical within the last 3 years. If your child's physical has been completed, forms have been turned, fees/deposit paid, they can participate asap too (before Tuesday 9/8).

Please complete these steps and call the school if you have any questions.
