

-Introduce Jouigi and his parents

Jouigi pretends to be menacing at first, but breaks character when his mom comes to his “room” with a tray of cookies. His dad points out that they shouldn’t spoil their dinner, but the mom says it doesn’t matter, given how big their appetites are.

Dialogue:

Jouigi: I AM FIRE... I AM...

Mom: A good boy~ Who gets cookies for finally learning how to fly. Congratulations, my baby.
<3

Dad: HONEY!! Don’t spoil Jouigi’s dinner...

Mom: Chill, sweetheart. His appetite is a bottomless pit, so he’ll just get hungry again by then. Besides, don’t you think he deserves it?

Dad: Heh... Touche. Guess I’m just excited and proud for Jo being able to fly. Seeing years of training finally paying off makes a grown dragon cry...

Mom: And our flower child’s one step closer to becoming a grown dragon himself.

Dad: *sniff* ...Oh! That reminds me. Hey, sport! Get your hat on, ‘cause we’re taking a trip to [farm name]

Jouigi: *gasp* I get to pick my own sheep?!

Dad: Heh, absolutely! Go get your hat on.

Mom: Woah, woah, sweetheart... Don’t you think it’s too soon? He only just started flying.

Dad: It’s alright, I’ll keep a close eye on him. Those sheep can be tricky, so I won’t expect him to get one the first try. Now hop on, son! Let’s get ‘em while they’re fresh.

Jouigi: *wags excitedly and waddles towards Dad*

Dad: *lifts tail and places Jo on his back* We’ll be back before dinner, honey.

Mom: Mmm... Be safe, you two.

-Create a conflict/problem

Jouigi and his dad try to catch sheep for dinner. Most of the sheep are too quick for them, but then they find a large one and capture that easily.

Notes:

-Jouigi and Dad are among the clouds. Jo looks around in awe and wonder. Eventually they fly over an open, spread-out herd of sheep. Jouigi get nervous and Dad reassures him by showing him the basics.

-The dad places Jo on a cloud, then swoops in to catch a sheep suspiciously standing there, only to be shocked by static electricity from a decoy, concerned Jouigi flies down to check on him

-Several attempts were made with various sheep, all failing

Dialogue:

Dad: Here we are. Plenty of sheep to go around. Take your pick.

Jouigi: Hmmm... The...white one?

Dad: Haha, good choice, son. First let me show how how to effectively catch a sheep. *he places Jo on a cloud* They're pretty quick, and can see you coming a mile away when you're as big as I am. So remember to stay clear, focus on the sheep you're about to catch...and DIVE!

Dad dives towards a sheep, it was a decoy that shocks him from impact, Jo flies down to check on him

Jouigi: Are you alright, Dad?!

Dad: I'm fine... Forgot to mention these sheep in particular can be tricky, 'cause I'm a regular in this field. But I'm gonna catch one, then I'll get back to teaching you. Just you wait.

-Turn it into a climax

-Jouigi catches one suddenly, but then he gets stuck in its wool and ends up rolling down a hill, Dad goes after him.

-A chase scene ensues with Jouigi trying to escape the wool

-Jo manages to start flying and carry the sheep home

-They all make it home safely

-Write a conclusion

-Mom shears the sheep to rescue Jouigi, and the parents discover that the sheep is skinny.
