### *In today's Guest Time*

In today's episode of “The MBS Show” we have an awesome guest. He is one of the many brony analysis in the community, but what makes him stand out is that he's not another pony like the others and he has some degree of animation. We are proud to bring you Silver Quill, join us as we talk to him about his videos and his comics and also find out if his animator will be less lazy to animate him flying.

Hi Norman Sanzo.

I just finished listening to MBS ep#102. I really must say, you did an amazing job keeping the peace among Daniel and James.

Well done indeed!

After the show ended, it was no wonder that you titled it "When the Gloves Come Off". Touche, indeed!

I very much enjoy listening to the MBS show every week. Ermm... would it be too much if I ask for a shout out? Just once? :)

Have a great week!

~Jen
