Consent Agenda

The Committee reviewed Executive Session meeting minutes for the following meetings:

- August 28, 2025
- October 20, 2025
- November 13, 2025
- January 9, 2026

Committee members discussed the approval process and clarified that the purpose of the meeting was to approve the accuracy of the minutes. Any future redactions or release determinations would be handled separately through the appropriate process.

Because recording secretary Lisa was unavailable, Tracy Floeckher agreed to take minutes for the meeting with the understanding that the meeting recording could be referenced if needed.

August 28, 2025 Executive Session Minutes

During review, members identified an inconsistency between the posted agenda and the meeting minutes regarding the August meeting date.

Rather than act on the minutes, the Committee agreed to postpone consideration until the next meeting so the discrepancy could be corrected.

No vote was taken.
