HARREYS COMMISSIONS TOS

(there may be incorrect grammar, english isn't my main language,)

Please make sure to read this document carefully, you'll find the information needed before working with me.

This DOCUMENT will provide the information needed if you're thinking of working with me, please remember that I will ONLY work with people over **18+ DO NOT** interact nor try contacting me if you're below the age of **18**.

Hi! Im "harreys" this is my COMMISSION SHEET you'll find examples and prices here, thank you for considering working with me! This helps me as a good way to practice to improve my work over time and explore different ideas and points of view. Hopefully we'll have fun and get along well anyways let's get started.

NOTE: For the moment I will only be accepting sketch requests/Grays Scales, this "DOC" will be edited when other types of requests are available. For the moment I'll improve my skills to offer better quality products in the very near future!

Prices and Information:

IMPORTANT: As for now, I will be only taking sketch requests, I want to practice my coloring and shading skills myself for now. I will edit this same DOC when I open full rendered requests, tho do expect some quirks and experimenting in your piece! (Such as bits of shading, bits of highlights, shine, gloss effects, or even flat coloring! Of course all of them positively affect the request, they can be removed if wished to.)

This applies to every type of request.

PAYMENT S THROUGH PAYPAL ONLY FOR THE MOMENT

Prices:

Single sketch (one single picture) **[45USD]**

Adding one or more characters [Limit 3 different characters]

- **+25USD** per character added
