

LMHS SPEECH & DEBATE TEAM

OVERNIGHT TRAVEL PROCEDURES

1. Overnight travel trips are sanctioned events sponsored by Lake Mary High School. This means that all school policies (Student-Parent Handbook) are to be enforced on said trips, and participants (competitors, coaches & parents) will be held to the rules and regulations outlined in each.

- **Alcohol or drug use will be handled the same way as in school. The police will be called and you risk punishment up to and including expulsion.** You will also be expelled from both the hotel and the tournament – your parents will pick you up at the police station.

2. Competitors must stay in a team room. Exceptions to this rule may be granted by the Head Coach if the student is staying with his parent or guardian.

3. Competitors staying with their parents will abide by all the same rules & regulations set forth by Lake Mary High School and specific teams (curfew, team meetings, etc.)

4. Mr. Crisp has the responsibility of room assignments & supervision of all team rooms. Competitors may not switch rooms for any reason without approval from Mr. Crisp.

5. The Head Coach will communicate a set curfew each night. Mr. Crisp will enforce this time with hallway & room checks as necessary. Competitors that violate curfew rules will face disciplinary action consistent with their actions.

6. **No fraternization between genders will take place inside of a hotel room.** Any visiting between genders will take place in the hallway outside of the hotel room or in the hotel lobby **with adult supervision.**

7. **Competitors absolutely may not leave the premises of the hotel unless they are accompanied by Mr. Crisp.** If a competitor is going to leave an event, the hotel or any other team activity, they must get prior approval from Mr. Crisp. Mr. Crisp should know the whereabouts of each competitor at all times.

8. Any behavior that takes place on a trip that violates school policy will result in disciplinary action up to and including expulsion.
