WakeID: Reset Student Passwords

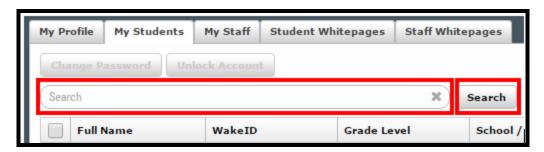

- 1. Go to https://wakeid.wcpss.net and log in
- 2. Click **Profiles** on the left side of the home screen.

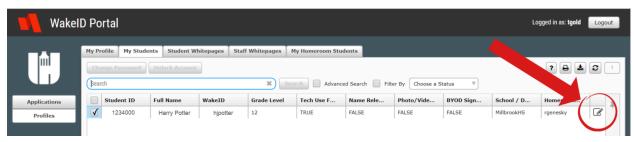

- 3. Click the **My Students** tab running across the top.
 - **Note: This may take a moment to load as it is loading all students at your school.

4. Enter student's last name and click the **Search** button to the right of the textbox.

5. Once student is located, click located to the far right of the student's information.

- 6. A window will pop up asking "Reset Password To Student ID". Check the box to the left of this statement and click Save.
 - **Note: Allow 2-5 minutes for the password reset to take effect.
