

## **Key Resources for IB Economists.**

### **Textbooks**

- Tragakes – Economics for the IB Diploma (issued to all students)
- McGee – Economics in terms of the good the bad and the economist (in library)
- Blink and Dorton – Economics Course Companion (in library)
- McBride – IB Economics Lessons (on Google Drive)
- Constantine Ziogas - IB Economics: Skills and Practice (you can order this online – great for H/L Paper 3 preparation)

### **Google Drive** Found under **Student IB Economics**

- IB Past Papers and Markschemes
- Tragakes' DVD with a vast array of vital resources for revision
- McBride – Quantitative Questions and Answers for Paper 3
- McBride IB Economics Lessons – more explanations of the concepts

### **Magazines**

- Economics Today and The Economist. Both in library.

### **Websites:**

- Oldfield Economics Wiki (password is oldfield) - [oldfieldeconomics.wikispaces.com](http://oldfieldeconomics.wikispaces.com)
- econclassroom.com – great for IB Economics videos explaining key concepts.
- timwoods.com – Eco/Bus website for IB and IG. Lots of good tips here for success.
- tradingeconomics.com – excellent website for macroeconomics indicators
- alankohler.com.au – a wonderful array of economic graphs (which I often use in class)
- tutor2u.net – some useful explanations of Economic concepts here

### **Newspaper Websites:**

- BBC
- Sydney Morning Herald
- Jakarta Globe
- New York Times

### **Various**

- Television News – I recommend BBC World News and its World Business Report
- Last but not least, the most important resource of all - **Your Syllabus!!**
