Subject: Kentucky Needs Change

Hi Everyone,

I'm Nicole Strong and I'm running to be your State Representative in Kentucky's 33rd district. The folks in Frankfort aren't getting the help we need. I'm running to change that.

I grew up in eastern Jefferson County where my parents worked hard and made sacrifices to raise me in a neighborhood with good schools. I graduated from public schools and went on to attend a public university where I took on student loans and worked nearly a full-time job while attending classes. I know how hard it is to access the education we need to thrive. I am currently a communications supervisor at Delicious Corporations [and now, I want to work for you.](#)

My AP Government Teacher Ms. Valentina Gomez changed my outlook on the world. When I was in high school, she helped me realize that anyone can become a public servant. She also helped me realize my potential in becoming a government leader while helping me understand the world and how it connects to Kentucky's 33rd district.

[**NAME, if you're ready for representation that truly represents you, would you join our campaign today, by contributing \\$1, \\$3, or even \\$5?**](#)

As State Representative, I will truly represent YOU. I want to fight for the things you and your family need right now. I know that when we invest in our people and communities, Kentucky is stronger. We are ready to get to work for you.

[But before we can work for you, we need to build the foundation of this campaign - and I want you to be a part of that, NAME. Can I count on you to click here and contribute whatever you can today?](#)

Let me know what I can do.

Nicole Strong
