Design Scholarship  
**20XX–20XX**

### Experience

20XX–Date

#### SUPERINTENDENT INTERN

McWhinney Partners

- Assisted with a \$4M construction project.
- Coordinated on-site construction activities, ensured safety practices were used, and helped drive project completion on schedule and within budget.
- Participated in meetings, organized and maintained records on project activities, updated RFI and ASI reports, and developed designs built from redline drawings.
- Gathered, organized, and delivered documents to city offices for construction compliance.

20XX–20XX

#### STUDY ABROAD

Prague Institute, Czech Republic

- Contributed to hospital master plan, with rehabilitation addition and sustainability emphasis, while supervised by Hedrick Schmidt, VP of AIA Europe and owner of Schmidt Architects.
- Increased knowledge of European government funding for sustainability, building, and design projects.

### Education

University of California

**Bachelor of Arts, Architecture**

National Center for Craftsmanship

20XX–20XX

20XX–20XX

#### MAINTENANCE REPRESENTATIVE

Columbine Company

- Provided property maintenance and repairs for offices and commercial locations.
- Led projects, including landscaping and lawn care. Coordinated special events setup and cleanup.
- Oversaw lobby restoration within 24 hours after the storm using pumps and dryers.
- Led MED retrofit across three sites, negotiated 20 % supplier discount, reduced energy costs

20XX–20XX

#### PROJECT VOLUNTEER

National Center for Craftsmanship

- Supported building renovation, debris containment, recycling, and construction cleanup efforts.
- Worked with teams to coordinate efforts during demolition and building processes.

### Honors & Affiliations

National Honor Society

20XX–20XX
