

Rick & Carly - List by Genre, then Alphabetical.

We rehearse all year round and are constantly adding to this list, and of course the versions we play are our own, adapted to suit just voices and acoustic guitar. If there's something you really want that you don't see here, please ask. If it works acoustically we will learn it for you, subject to a 100€ extra charge.

We can also bring along extra musicians to create a bespoke band, depending on the vibe you are after. Drop us a message for more details. x
