The Light of Christ PROGRAM NOMINATION

The Light of Christ Program Nomination Form

In Medieval times, stained glass was used to illustrate biblical stories and the teachings of the Catholic Church. In the same way that beautiful stained glass artwork in our churches reflects the light of God, educators reflect that light upon their students each day.

Erie Catholic School System's teachers and administrators go to great lengths to not only impart knowledge, but to model Christ's love. The *Light of Christ* program allows families to express their gratitude and recognize a special teacher or administrator who has gone above and beyond in service to their students. For over 100 years, Catholic education in Erie has transformed countless lives. We invite alumni from any Catholic school to make a gift in honor or memory of an educator who reflected the *Light of Christ* in their lives.

With a donation of any amount to the Erie Catholic School System, the teacher you wish to honor will receive a *Light of Christ* lapel pin during a special presentation. Your words of thanks will be shared with your honoree, along with their supervisor and Erie Catholic leadership.

All gifts received through the *Light of Christ* program will be used to support teacher recruitment, development, and retention.
