

~ FOUNTAIN OF LIFE ~

*Did You embrace me or did I embrace You?  
Did I see You first or did You me view?  
Did I reach to You my trembling hand  
Or did You lift me from sinking sand?*

*Did I walk the path, the way to home,  
Or did You see me so far I roamed?  
Did I walk to You on stormy sea  
Or did You bid me come unto Thee?*

*The answer, I know, lies in Your heart,  
Where is the genesis and the start  
Of every good thing I've ever done  
That brought me to You, Father and Son.*

*All of the love and joy that I've known  
Comes all from You and is Yours alone;  
Left to myself would I surely fall,  
But it was You that my heart enthralled.*

*My Heavenly Lover is Who You are,*

*My fair Primrose, my bright Morning Star,  
That shone in the East ere I could see  
And brought this love and blessing to me.*

*Evermore shine and shine on for me  
So that in Your light, light shall I see;  
Spring up a well, Thou Fountain of Life,  
Be Thou the Way, the Truth, Thou the Christ.*
