

September 4th
PDC meeting notes

- Welcome: Led activity from Lauren - GRTL (Getting Ready to Learn)
 - Start of the year celebrations/ PD celebrations
 - How are we ensuring rigor in September PD?
 - Making additions from our Rigor Quadrants (from the article: Rigor is More than Hard Work, Fisher & Frey) to our classroom (lesson planning, are we assessing harder than we are teaching, etc).
- Special projects: 5,4,3 = pass as a committee 2,1,0 = committee discussion and majority rules
 - Two requests:
 - 1. Randall Elementary: Becky Dollins, School Librarian, spring conference. Passed by committee? Yes / pass
 - 2. Luff Elementary: Levi Smith, Missouri Counselor Conference. Passed by committee? Yes / pass
- Special project updates:
 - [SP requirements listed in committee slides here](#) (slide 15)
 - Special notes on updates: secondary only votes for secondary request, elementary only votes on elementary request
- Survey BTS results:
 - Good feedback. Mentions of good mental spaces were being had, planning was noticeable, and feedback from previous years was being used.
 - Share feedback with staff- this helps them know PDC members are indeed looking at implementing these survey results.
- Please review the 25-26 PD calendar if needed
