

Privacy Policy

****Game Title:** Block Puzzle: Rotate Blast**

****Publisher:** yolcuLabs**

****Effective Date:** September 2026**

This Privacy Policy explains how yolcuLabs develops, operates, and maintains the mobile game ****Block Puzzle: Rotate Blast****, and how user data and privacy are handled.

1. Information Collection and Use

****Block Puzzle: Rotate Blast**** does not directly collect, store, or require any personally identifiable information (PII) such as your name, physical address, email address, or phone number.

However, the game integrates trusted third-party services (such as advertising networks and billing platforms) that may automatically collect non-personally identifiable and anonymous diagnostic data, including:

- Device brand, model, and operating system version
- Anonymous Advertising Identifier (Google Advertising ID)
- Gameplay events and general interaction data (e.g., session length, crash reports)

2. Third-Party Services

Our application uses trusted third-party services to deliver advertisements, process in-app purchases, and improve gameplay performance:

- ****Google AdMob (Advertising):****
Used to display banner, interstitial, and rewarded video ads.
[Google Privacy Policy](https://policies.google.com/privacy)
- ****Google Play In-App Billing (Google Play Commerce):****
Used for processing secure transactions (such as purchasing virtual coins or removing ads). All financial transactions are processed securely by Google Play.

3. Log Data and Diagnostics

In the event of an error or crash within the application, anonymous diagnostic data (Log Data) may be collected via third-party SDKs. This data may include your device's Internet Protocol (IP) address, device manufacturer, operating system version, and system configuration at the time of the error. This information is strictly used to identify and fix technical issues.

4. Cookies and Tracking

****Block Puzzle: Rotate Blast**** does not directly use cookies. However, third-party advertising SDKs may utilize cookies or similar mobile tracking technologies solely to deliver relevant advertisements and prevent ad fraud.

5. Children's Privacy

****Block Puzzle: Rotate Blast**** is designed for a general audience. We do not knowingly collect personally identifiable information from children under the age of 13. If you are a parent or guardian and believe that your child has provided us with personal information, please contact us immediately so that we can take prompt corrective action.

6. Changes to This Privacy Policy

We may update our Privacy Policy periodically to reflect updates in game features or compliance with legal and store regulations. Any modifications will become effective immediately upon being published on this page.
