

Send a private comment to your teacher

You can send a private comment to your teacher that only they can see from an assignment or question. You can see your teacher's response when you open the assignment or question. If you delete a private comment, your teacher can still see it.

1. Go to classroom.google.com.
2. Click the class.
3. Choose an option:
 - On the Stream page, click the assignment or question.
 - On the Classwork page, click the assignment or question .
4. Click Add private comment.
5. Enter your comment click Post .
