Chapter Summer Camp

- Mai: Paris - Governance Lab to launch and work on a set of tools that can be used by quasi unions (rx voice, open source politics, etc.) based on their goals and knowledge.

- Idea of a dashboard with lego blocks
- Onboarding

Relaunch of talks / panels in Paris. Tuesday night is RxC. Discord is used for the chapter.

- Nikoline: Barcelona to be relaunched at akasha hub in the coming weeks (one session a month)
- Matt: San Francisco (online meetup a few weeks ago - will post the recording)
- Fanny: New York City (fall restart)

Foundation Updates

- Matt & Divya - Data Freedom group - Open Letter to be blasted out over twitter to get people to sign their names on this consensus on where collective data should be heading - sign it if you agree to send a message to the policy world. This letter would then lead to media coverage and policy makers to move the public conversation around data into a production direction, and impact next generation policies. [Sign here](#).
