*Why did you become a teacher?*

"I went to college entering construction management & later civil engineering. I wanted to live in a rural area and I loved sports so much I thought about teaching."

*Who was the most influential person in your life?*

"My parents. They taught me work ethic. They are both very caring and willing to help anyone. They provided me with the family first mentality and they both will do anything to support our family."

*What event in your life had a huge impact on your being?*

"Becoming a parent changes your outlook on life and it definitely did mine. You put your family first after you marry & have children."

*What is the most enjoyable thing about being a teacher?*

"I get to teach 300+ students a week & I enjoy watching them learn & grow throughout school. It is really special to me because I get to work with these same kids as a high school coach."

*What do you like most about MES?*

"I like the culture. It has a family-like atmosphere. It's not a job for me, I get to come to work with my family & friends everyday."

*What are your hobbies?*

"I like to do anything with family & friends. I enjoy doing anything outside, especially the beach."

*Where do you go to get your mind straight?*

"I go to the gym, particularly to lift weights."

*What do you consider to be your greatest accomplishment?*

"Graduating from college taught me to push & battle through adversity. Getting married & having kids would be my greatest accomplishments."

*If you could do anything else, what would that be?*

"I would have loved to be a professional athlete. I would have liked to open my own gym & train kids & adults in the area of strength training."

*What is something you would be willing to share about yourself that few know?*

"I really enjoy cooking! I'm intrigued with building things. I would enjoy renovating houses if I had the time."

*What is something on your bucket list?*

"I would like to see a live National Championship in college football or basketball. I would also like to travel more."
