你 好, **Hola, Hello**

Eileen Days

Eileen Days is a proud IFS parent and active member of the school community. She and her husband Jason (known to many as Jake) live in Snohomish, Washington, with their three children—Amelia (Grade 3), Theo (Grade 1), and Emmett (Pre-K 1)—all current students at IFS. The Days family joined the IFS community in 2019 and are deeply connected to the school's mission of nurturing both children and parents through a globally minded, values-driven education.

Outside of school life, the Days family enjoys spending time together—whether it's caring their farm animal friends, playing by the river, watching movies, or heading to the mountains for winter sports.

Professionally, Eileen is a Wealth Management Advisor at Merrill Lynch, where she helps individuals and families work toward their financial goals through thoughtful, goals and values-based planning. With more than 23 years in the financial industry, she provides guidance on investment management, retirement planning, education funding, estate considerations, and overall financial well-being. Eileen is passionate about helping people get on the right track—no matter their starting point.

Eileen is also dedicated to giving back through board service and community involvement. In addition to serving on the IFS Board of Trustees, she currently sits on the board of the Bellevue Chamber of Commerce. Her past leadership roles include serving on the board of the Boys & Girls Clubs of Bellevue (2017–2025) and the South Seattle College Foundation (2013–2023).
