

## **Sunday Nov 7 @ 11am Eastern \$2,000 PRIZE MONEY**

**We've got a doozy for you this time – total game-changer, in a marketplace full of generic stuff:**

Video Game Profits auto-searches for extreme-deals on online video games (up to 90% off), then buys them, listing those deals on the largest digital video-game selling site in the world...listing them LOWER than all other sellers, resulting in automatic 1st place listings.

This gets dramatic sales activity, often within a few hours. Vick made sales his first day, **and when I handed it to my 14-year old son, he made \$103 in his first 3 hours (this is captured LIVE on our VSL!)**. All traffic is 100% free, as it's built into the platform itself (no need to EVER get more traffic).
