

Sprint review meeting agenda (example)

Sprint goals

- ☐ Complete search functionality

Complete tasks

- ☐ Search shortcut button
- ☐ Search highlights
- ☐ Search assistance

Demo

- ☐ Demonstrate shortcut button
- ☐ Demonstrate search highlights
- ☐ Demonstrate search assistance functionality

Feedback

- ☐ Did the development team meet the user's needs (i.e., the ability to search in the app)?
- ☐ Has the existing search feature been improved according to sprint goals?
- ☐ Address any additional questions from stakeholders

Key metrics

- ☐ Number of clicks on the search icon
- ☐ Number of terms searched

Backlog

- ☐ Review the market
- ☐ Review the projected use of the functionality
- ☐ Make changes to the backlog accordingly
