6. Admitad

Admitad is a very young, but successful and fast-growing CPA Affiliate Network, they started operating in 2010. They are a CPA Affiliate Network based in Germany but they also hold seven other offices across the globe.

In just 10 years, this company has developed a huge affiliate network with more than 540,000 active publishers. Their campaigns include offers such as E-commerce, online games, mobile, and services.

The reason why **I wanted to include this network in my list of best CPA networks**, is just because they offer a very easy signup process for new publishers, but at the same time they also give you a very

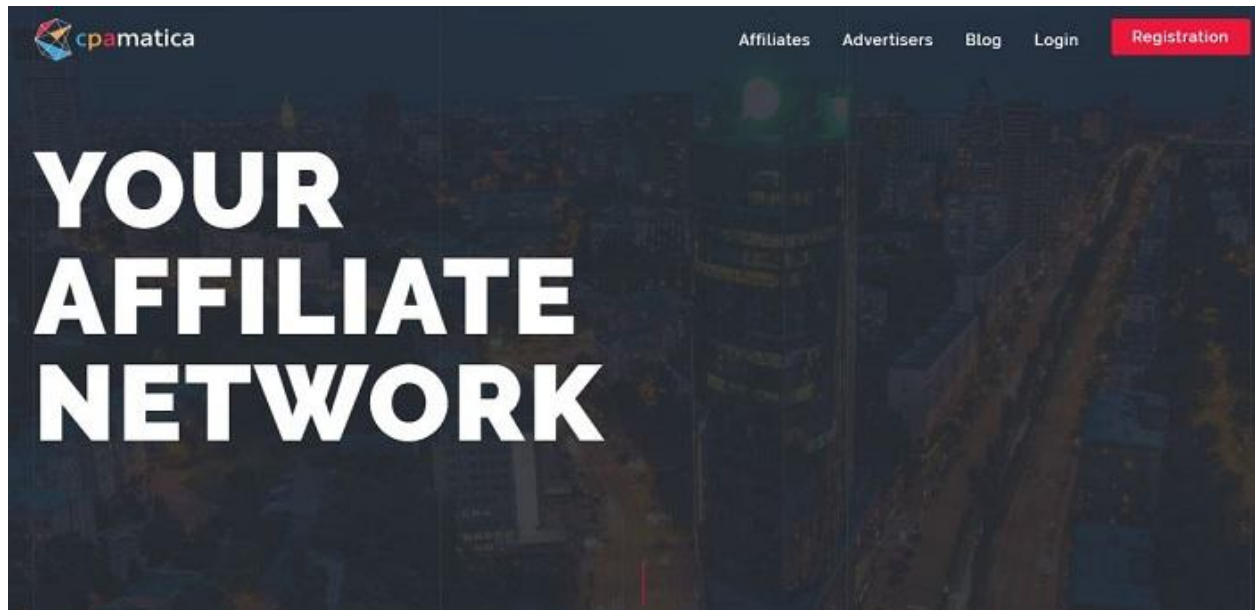

user-friendly interface and great CPA offers that you can make money from.

Admitad offers an excellent support team, they even assign a dedicated account manager for each publisher, which is great. They offer weekly payments through Paypal, Wire Transfer, and other popular payment options.
