

Shhh!

The goal is to keep this as a surprise to 8th grade students.

On the last day of school, Tuesday, June 17, at around 11:20 a.m., 8th grade students will exit out to the playground. They'll walk through the 6th and 7th grade students and all the staff for a congratulatory send off.

Parents and guardians who would like to surprise their 8th graders can wait outside by the building on the path out to the playground. This is NOT expected of anyone. It's just for those who are available and interested. There will be PTO members there with a plan - they'll help guide you to the correct spot.

As 8th graders complete walking through the line of students and staff, they will receive a Certificate of Completion and a gift from the PTO. Then, they're ready to load up for a bus ride home, walk, or ride home with parents as usual.

Reminder: It's **very important to stay out of the bus loop**. The parking lot will likely be full. Allow yourself plenty of time to find parking at MIW or GHS and walk over.

Finally, a sincere thank you to all of the adults who have supported the 8th graders through their middle school journey!
