---

### **Key Outcomes**

1. To strengthen and grow the Primero community;
2. Develop and mature Primero’s strategy for strengthening national systems and supporting governments;
3. Develop understanding of Primero as a digital public good;
4. Build capacity to implement, evolve, support, maintain and sustain Primero;
5. Highlighting and mainstreaming programming and operational frameworks and issues (including the Sustainability Plan, the transition to the UNICEF Center of Excellence, Primero Data Privacy and Data Protection Framework, interoperability framework, Product Roadmap, Support Hub,, business model, etc)

### **Key outputs**

1. Introduction of new members and growth in the Primero community
2. Stakeholders engage with other teams on programming and operational issues and establish mechanisms for support
3. Stakeholders demonstrate awareness of operational resources and frameworks
4. Increased engagement in community fora, channels and teams
5. Development roadmap is informed using plenary findings
6. Themes for global governance and risk mitigations identified and documented
