Tuesdays - 3:30- 4:30 pm

On Tuesdays, we have awesome and fun swimming classes for our Dolphin Squad! This is a class where your kiddies get to explore the pools (heated and cold) and build their confidence around water.

It's great for all kinds of kids and you get to be in the water with them to help them feel comfortable.

Make sure to bring their swimsuits, their arm floaties, and their goggles too. If you don't have these, you will need to buy them from our front desk because your little ones CANNOT get in the pool without them.

Our classes are from 3:30 to 4:30 pm so don't miss out and don't be late :)
