

Art History Challenge

Drawing and Painting Class

2016-2017

Overview

You will research and study famous artists, time periods and styles in art history.

Goals

1. Learn about famous artists and painters

Specifications

You will set up a google drive folder specially for these Art History Challenges. You will have many that you create and gather throughout the year. Keeping them in one central location is necessary.

Criteria

I. Collage

Create a collage of 4- 6 images of the artist's work that you are researching. Make sure to check your sources for authentic images.

II. Information

Gather information on the artist, and time period including but not limited to:

Artist's name

Date of Birth and Death

Where they were born and lived

What style of art they were famous for creating

What artistic time period they were a part of

What materials the artist used

Other important information about the artist

This information can be presented in bullet form or paragraph form. It should be included with the images in a one page document created in Canva, Pic Collage, Google Doc, Notability, etc.
