

USD recently joined with SportsEngine (SE) and there have been issues with the 2 systems talking to each other! Soooooo.....

When completed, please send me the exact name and email you registered your child under in SE; their birth date and new USD membership number. This will allow me to make any edits if something goes wrong!

Here is how you get to the correct membership to sign up for USD.....

Click here: <http://www.usadiving.org>

This will take you to a USD page - click the menu in the white band and choose MEMBERSHIP in the pull down.

Then choose TYPES OF MEMBERSHIPS.

Then choose ATHLETE MEMBERSHIPS.

The first option you will see is the Athlete (17U) \$43 choice. Click JOIN NOW.

This will take you to a page to scroll down and find the DUPAGE DIVING ACADEMY.

This will take you to the SportsEngine sign up - follow the directions and you should be good!
